ARTICLE 4. MEETINGS OF MEMBERS

4.01 Annual Meeting. Beginning in 2016, the Board will hold an annual Members' meeting at seven o'clock p.m. on the last Thursday of January each year or at another time that the Board designates. If the day fixed for the annual meeting is a legal holiday in Texas, the meeting will be held on the next Thursday. At the annual meeting, the Members will elect Directors and transact any other business that may come before the meeting. If, in any year, the election of Directors is not held on the day designated for the annual meeting, or at any adjournment of the annual meeting, the Board may call a special meeting of the Members, as soon as possible, to elect Directors.

4.02 Mandatory Election Required After Failure to Call Annual Meeting. If the Board does not call an Annual Meeting of the Club, a Member may demand that a meeting of the Members be called not later than the thirtieth (30th) day after the date of the Member's demand. The Member's demand must be made in writing and sent by certified mail return receipt requested, to the registered agent of the Club and to the Club at the address for the Club according to the most recently filed management certificate. A copy of the notice must be sent to each Member. If the Board does not call a meeting of the Club on or before the thirtieth (30th) day after the date of a demand, three or more Members may form an election committee. The election committee shall file written notice of the committee's formation with the county clerk of each county in which the Property is located. A notice filed by an election committee must contain: (1) a statement that an election committee has been formed to call a meeting of the Club for the sole purpose of electing Board members; (2) the name and residential address of each committee member; and (3) the name of the Property over which the Club has jurisdiction. Each committee member must sign and acknowledge the notice before a notary or other official authorized to take acknowledgments. The county clerk shall enter on the notice the date the notice is filed and record the notice in the county's real property records. Only one committee in the Club may operate under this section at one time. If more than one committee in the Club files a notice, the first committee that files a notice, after having complied with all other requirements of this section, is the committee with the power to act under this section. A committee that does not hold or conduct a successful election within four (4) months after the date the notice is filed with the county clerk is dissolved by operation of law. An election held or conducted by a dissolved committee is ineffective for any purpose under this section. The election committee may call meetings of the Members of the Club for the sole purpose of electing Board members. Notice, quorum, and voting provisions contained in these Bylaws apply to any meeting called by the election committee

4.03 Special Meetings. Special meetings of the Members may be called by the president, the Board, or not less than one-sixth of the votes of the Members.

4.04 Place of Meeting. The meeting shall be held at the Lake Tanglewood Club Community Center unless the Board resolves to have the meeting elsewhere in Potter or Randall County, Texas.

4.05 Notice of Meetings. Not later than the 10th day or earlier than the 60th day before the date of an election by Members or vote by the Members, whether such vote or election will occur at the annual meeting or a special meeting of the Members, the Club shall give written notice of the election or vote to each Member of the Club.

4.06 Eligibility to Vote in Board Elections and at Annual and Special Meetings of the Members. In Board Elections and for other matters brought before the Club, the Member or Members of a Lot are entitled to one vote for each Lot owned by such Member or Members. If a Lot is owned by more than one Member, the number of the votes attributable to the Lot will be the same as if there was only one Member.

4.07 Quorum. A quorum for Members' meetings shall be constituted by Members (who (i) attend the meeting in person, (ii) vote by proxy in accordance with Section 4.11, below, or (iii) submit an absentee or electronic ballot in accordance with Section 4.12, below) holding twenty-five percent (25%) of the votes that may be cast at a meeting. The

Members present at a duly called or held meeting at which a quorum is present may continue to transact business, even if enough Members leave so that less than a quorum remains. However, no action may be approved without the vote of at least a Majority of the number of Members required for a quorum.

4.08 Actions of Members. The vote of a Majority of Members present (either in person, by proxy, or by absentee or electronic ballot in accordance with Section 4.11, below) and entitled vote at a meeting at which a quorum is present, is enough to constitute the act of the Members.

4.09 Certain Decisions and Actions Required to be Submitted to the Members. The following decisions and actions require a vote of the Members:

- (a) Imposing Special Assessments;
- (b) The sale of Lakeview Estates Unit 1 lots 27, 28, 29, 30 and 31, which lots are currently being held in abeyance by the Club;
- (c) Any increase in Regular Assessments; and
- (d) Revisions to these Bylaws.

4.10 Manner of Voting. The vote of a Member must be in writing and signed by the Member. Votes may be cast or given:

- (a) at a meeting of the Club, in person or, in accordance with Section 4.11, by proxy;
- (b) by absentee ballot in accordance with Sections 4.12 and 4.13; or
- (c) by electronic ballot in accordance with Sections 4.12 and 4.14.

4.11 Proxy Voting. A Member may not vote by proxy unless it is delivered to the secretary or other designated officer of the Club before the business of the meeting begins. The secretary or other person taking the minutes of the meeting will record in the minutes the name of the person who executed the proxy and the name of the person authorized to exercise the proxy. If a Member who has duly executed a proxy personally attends a meeting, the proxy will not be effective for that meeting. A proxy filed with the secretary of the Club remains in force until the first of the following occurs:

- (a) An instrument revoking the proxy is delivered to the secretary or other designated officer.
- (b) The proxy authority expires under the proxy's terms.
- (c) The proxy authority expires under the terms of these Bylaws.

4.12 Absentee or Electronic Ballots. An absentee or electronic ballot:

- (a) shall be counted as a Member present and voting for the purpose of establishing a quorum only for items appearing on the ballot;
- (b) shall not be counted, even if properly delivered, if the Member attends any meeting to vote in person, so that any vote cast at a meeting by a Member supersedes any vote submitted by absentee or electronic ballot previously submitted for that proposal; and
- (c) shall not be counted on the final vote of a proposal if the motion was amended at the meeting to be different from the exact language on the absentee or electronic ballot.

4.13 Solicitation for Votes by Absentee Ballot. A solicitation for votes by absentee ballot must include:

- (a) an absentee ballot that contains each proposed action and provides an opportunity to vote for or against each proposed action;
- (b) instructions for delivery of the completed absentee ballot, including the delivery location; and
- (c) the following language: "By casting your vote via absentee ballot you will forgo the opportunity to consider and vote on any action from the floor on these proposals, if a meeting is held. This means that if there are amendments to these proposals your votes will not be counted on the final vote on these measures. If you desire to retain this ability, please attend any meeting in person. You may submit an absentee ballot and later choose to attend any meeting in person, in which case any in-person vote will prevail."

4.14 Electronic Ballot. "Electronic ballot" means a ballot:

- (a) given by: (i) e-mail; (ii) facsimile; or (iii) posting on an Internet website;
- (b) for which the identity of the Member submitting the ballot can be confirmed; and
- (c) for which the Member may receive a receipt of the electronic transmission and receipt of the Member's ballot.

If an electronic ballot is posted on an Internet website, a notice of the posting shall be sent to each Member that contains instructions on obtaining access to the posting on the website.

4.15 Tabulation of Votes. Tabulation of votes shall be in accordance with the following:

- (a) A person who is a candidate in a Club election or who is otherwise the subject of a Club vote, or a person related to that person within the third degree by consanguinity or affinity, as determined under Chapter 573, Government Code, may not tabulate or otherwise be given access to the ballots cast in that election or vote except as provided by this section.
- (b) A person other than a person described by Subsection 4.15(a) may tabulate votes in a Club election or vote but may not disclose to any other person how an individual voted.
- (c) A person other than a person who tabulates votes under Subsection 4.15(b), including a person described by Subsection 4.15(a), may be given access to the ballots cast in the election or vote only as part of a recount process authorized by law.

4.16 Recount of Votes. A Member may request a recount of votes in accordance with the following:

- (a) Any Member may, not later than the 15th day after the date of the meeting at which the election was held, require a recount of the votes. A demand for a recount must be submitted in writing either:
 - (1) certified mail, return receipt requested, or by delivery by the United States Postal Service with signature confirmation service to the Club's mailing address as reflected on the latest management certificate; or
 - (2) in person to the Club's managing agent as reflected on the latest management certificate or to the address to which absentee and proxy ballots are mailed.
- (b) The Club shall, at the expense of the Member requesting the recount, retain for the purpose of performing the recount, the services of a person qualified to tabulate votes under this subsection. The Club shall enter into a contract for the services of a person who:
 - (1) is not a member of the Club or related to a member of the Board within the third degree by consanguinity or affinity, as determined under Chapter 573, Government Code; and
 - (2) is:
 - (A) a current or former:
 - i. county judge;
 - ii. county elections administrator;
 - iii. justice of the peace; or

- iv. county voter registrar; or
- (B) a person agreed on by the Club and the person(s) requesting the recount.
- (c) Any recount under Subsection 4.16(a) must be performed on or before the 30th day after the date of receipt of a request and payment for a recount in accordance with Subsections 4.16(a) and 4.16(b). If the recount changes the results of the election, the Club shall reimburse the requesting Member for the cost of the recount. The Club shall provide the results of the recount to each Member who requested the recount. Any action taken by the Board in the period between the initial election vote tally and the completion of the recount is not affected by any recount.

The Board may vote to appoint a Member as a Director to fill a vacancy on the Board that occurs as a result of a reason other than the Director's term expiring, including, but not limited to, a Director ceasing to qualify, dying, or resigning. A Director appointed to fill a vacant position shall serve for the remainder of the unexpired term of the position.

5.07 Open Board Meetings. With the exception of Board Meetings held in accordance with Section 5.11, all Board Meetings (i) shall be held at the Lake Tanglewood

Following an executive session, any decision made in the executive session must be summarized orally and placed in the minutes, in general terms, without breaching the privacy of the individual Member, violating any privilege, or disclosing information that was to remain confidential at the request of the affected parties. The oral summary must include a general explanation of expenditures approved in the executive session. A Director may participate in a Board Meeting by telephone or electronic means so long as the Director may hear and be heard by all persons participating in the meeting (including any Members in attendance).

5.08 Notice of Board Meetings to Directors. If the Board recesses a Board Meeting to continue the following regular business day, the Board is not required to provide notice of the continued meeting if the recess is taken in good faith and not to circumvent the requirement of notice. If a Board Meeting is continued to the following regular business

day, and on that following regular business day the Board continues the Board Meeting to another day, the Board shall give notice of the continuation in at least one manner prescribed by Section 5.09 within two hours after adjourning the Board Meeting being continued.

5.11 Certain Board Actions Not Requiring Notice to Members. With the exception of those matters listed in Section 5.12, the Board may meet by any method of communication, including electronic and telephonic, without giving prior notice to Members under Section 5.09., if each Director may hear and be heard by every other Director, or the Board may take action by unanimous written consent to consider routine and administrative matters or a reasonably unforeseen emergency or urgent necessity that requires immediate Board action. Any action taken without notice to Members must be (i) summarized orally at the next Board Meeting, including an explanation of any known or actual or estimated expenditures approved through such action, and (ii) documented in the minutes of the Board Meeting.

5.14 Regular Meetings. The Board may adopt a resolution providing for regular Board Meetings.

5.15 Special Meetings. Special Board Meetings may be called by, or at the request of, the President or any two Directors.

5.16 Record of Board Meetings. The Board shall keep a record of each Board Meeting in the form of written minutes. The Board shall make such minutes available to Members for inspection and copying in accordance with the provisions of Article 10.

5.17 Quorum. The attendance of a Majority of the number of Directors constitutes a quorum for transacting business at any Board Meeting.

5.18 Vote Required for Actions of Board of Directors. The Board will try to act by consensus. However, if a consensus is not available, the vote of a Majority of Directors shall constitute the act of the Board.

5.19 Duties of Directors. Directors will discharge their duties, including any duties as committee members, in good faith, with ordinary care, and in a manner they reasonably believe to be in the Club's best interest. In this context, the term "ordinary care" means the care that ordinarily prudent persons in similar positions would exercise under similar circumstances. In discharging any duty imposed or power conferred on Directors, Directors may, in good faith, rely on information, opinions, reports, or statements, including financial statements and other financial data, concerning the Club or another person that has been prepared or presented by a variety of persons, including officers and employees of the Club, professional advisors or experts such as accountants or legal counsel. A Director is not relying in good faith if he or she has knowledge concerning a matter in question that renders reliance unwarranted.

Directors are not deemed to have the duties of trustees of a trust with respect to the Club or with respect to any property held or administered by the Club, including property that may be subject to restrictions imposed by the donor or transferor of the property.

5.20 Duty To Avoid Improper Distributions. Directors who vote for or assent to improper distributions are jointly and severally liable to the Club for the value of improperly distributed assets, to the extent that, as a result of the improper distribution or distributions, the Club lacks sufficient assets to pay its debts, obligations, and liabilities. Any distribution made when the Club is insolvent, other than in payment of Club debts, or any distribution that would render the Club insolvent, is an improper distribution. A distribution made during liquidation without payment and discharge of or provision for payment and discharge of all known debts, obligations, and liabilities is also improper. Directors present at a Board Meeting at which the improper action is taken are presumed to have assented, unless they dissent in writing. The written dissent must be filed with the secretary of the Club before adjournment of the meeting in question or mailed to the secretary by registered mail immediately after adjournment.

A Director is not liable if, in voting for or assenting to a distribution, the Director (1) relies in good faith and with ordinary care on information, opinions, reports, or statements, including financial statements and other financial data, prepared or presented by one or more officers or employees of the Club; legal counsel, public accountants, or other persons as to matters the Director reasonably believes are within the person's professional or expert competence; or a committee of the Board of which the Director is not a member; (2) while acting in good faith and with ordinary care, considers the Club's assets to be at least that of their book value; or (3) in determining whether the Club made adequate

provision for paying, satisfying, or discharging all of its liabilities and obligations, relied in good faith and with ordinary care on financial statements or other information concerning a person who was or became contractually obligated to satisfy or discharge some or all of these liabilities or obligations. Furthermore, Directors are protected from liability if, in exercising ordinary care, they acted in good faith and in reliance on the written opinion of an attorney for the Club.

Directors held liable for an improper distribution are entitled to contribution from persons who accepted or received the improper distributions knowing they were improper. Contribution is in proportion to the amount received by each such person.

5.21 Delegating Duties. Directors may select advisors and delegate duties and responsibilities to them, such as the full power to buy or otherwise acquire stocks, bonds, securities, and other investments on the Club's behalf; and to sell, transfer, or otherwise dispose of the Club's assets and properties at a time and for a consideration that the advisor deems appropriate. The Directors have no liability for actions taken or omitted by the advisor if the Board acts in good faith and with ordinary care in selecting the advisor. The Board may remove or replace the advisor at any time and without any cause whatsoever.

5.22 Interested Directors. Contracts or transactions between Directors, officers, or Members who have a financial interest in the matter are not void or voidable solely for that reason. Nor are they void or voidable solely because the Director, officer, or Member is present at or participates in the meeting that authorizes the contract or transaction, or solely because the interested party's votes are counted for the purpose. However, every Director with any personal interest in the transaction must disclose all material facts concerning the transaction, including all potential personal benefit and potential conflicts of interest, to the other members of the Board or other group authorizing the transaction. The transaction must be approved by a Majority of the uninterested Directors or other group with the authority to authorize the transaction.

5.23 Compensation. Directors may not receive salaries or any other form of remuneration for their services as Directors.

5.24 Removing Directors. The Members may vote to remove a Director at any time without good cause by the affirmative vote of fifty-one percent of all the Members (not merely an affirmative vote of the Majority of Members casting votes at a meeting at which a quorum is present). A meeting to consider removing a Director may be called and noticed following the procedures provided in Article 4 of these Bylaws. The notice of the meeting will state that the issue of possibly removing the Director will be on the agenda. At the meeting, the Director may present evidence of why he or she should not be removed and may be represented by an attorney at and before the meeting. Also, at the meeting, the Club will consider possible arrangements for resolving any problems that are in the mutual interest of the Club and the Director.

ARTICLE 6. OFFICERS

6.01 Officer Positions. The Club's officers will be a president, a secretary, one or more vice presidents, and a treasurer. The Board may create additional officer positions,

define the authority and duties of each such position, and elect or appoint persons to fill the positions. The same person may hold any two or more offices, except for president and secretary. To be eligible for any officer position, a person must be a Director.

6.02 Election and Term of Office. The Club's officers will be elected by the Board each year at the annual Board Meeting. If officers are not elected at this time, they will be elected by the Board as soon thereafter as possible. Each officer will hold office until a successor is duly selected and qualifies. An officer may be elected to succeed himself or herself in the same office.

6.03 Removal. Any officer elected by the Board may be removed by the Board with or without good cause. Removing an officer will be without prejudice to the officer's contractual rights, if any.

6.04 Vacancies. The Board may select a Director to fill a vacancy in any office for the unexpired portion of the officer's term.

6.05 President. The president is the Club's chief executive officer. He or she will supervise and control all of the Club's business and affairs and will preside at all meetings of the Club and of the Board. The president may execute any deeds, mortgages, bonds, contracts, or other instruments that the Board authorizes to be executed. However, the president may not execute instruments on the Club's behalf if this power is expressly delegated to another officer or agent of the Club by the Board, these Bylaws, or statute. The president will perform other duties prescribed by the Board and all duties incident to the office of president.

6.06 Vice President. When the president is absent, cannot act, or refuses to act, a vice president will perform the president's duties. When acting in the president's place, the vice president has all the powers of—and is subject to all the restrictions on—the president. A vice president will perform other duties as assigned by the president or Board.

6.07 Treasurer. The treasurer will directly or indirectly:

- (a) Have charge and custody of—and be responsible for—all the Club's funds and securities.

- (e) Prepare quarterly financial reports including, but not limited to, a balance sheet and a profit and loss statement.

ARTICLE 7. COMMITTEES

7.01 **Establishing Committees.** The Board may adopt a resolution establishing one or more committees delegating specified authority to a committee, and appointing or removing members of a committee. A committee will include one or more Directors and may include persons who are not Directors so long as they are Members. The Board may also delegate to the president its power to appoint and remove members of a committee that has not been delegated any management authority of the Board. The Board may establish qualifications for membership on a committee.

Establishing a committee or delegating authority to it will not relieve the Board, or any individual director, of any responsibility imposed by these Bylaws or otherwise imposed by law. No committee has the authority of the Board to:

- (a) Amend the Certificate of Formation or Articles of Incorporation
- (b) Adopt a plan of merger or of consolidation with another corporation.
- (c) Authorize the sale, lease, exchange, or mortgage of all or substantially all of the Club's property and assets.
- (d) Authorize voluntary dissolution of the Club.

- (e) Revoke proceedings for voluntary dissolution of the Club.

- (h) Elect, appoint, or remove a member of a committee or a Director or officer of the Club.
- (i) Approve any transaction to which the Club is a party and that involves a potential conflict of interest as defined in Section 8.06, below.
- (j) Take any action with respect to those items listed in Section 5.12, above.
- (k) Take any action outside the scope of authority delegated to it by the Board.

7.02 Term of Office. Each committee member will continue to serve on the committee until the earlier of: (1) the next annual Club meeting, or (2) until a successor is appointed. However, a committee member's term may terminate earlier if the committee is terminated, or if the member dies, ceases to qualify, resigns, or is removed as a member. A vacancy on a committee may be filled by an appointment made in the same manner as an original appointment. A person appointed to fill a vacancy on a committee will serve for the unexpired portion of the terminated committee member's term.

7.03 Chair and Vice-Chair. One member of each committee will be designated as the committee chair, and another member of each committee will be designated as the vice-chair. The chair and vice-chair will be appointed by the president. The chair will call and preside at all meetings of the committee. When the chair is absent, cannot act, or refuses to act, the vice-chair will perform the chair's duties. When a vice-chair acts for the chair, the vice-chair has all the powers of—and is subject to all the restrictions on—the chair.

7.04 Notice of Committee Meetings to Members. Committees must comply with the same notice and open meeting provisions that govern the Board set forth in Sections 5.07 through 5.12.

7.05 Quorum. A Majority of the number of committee members constitutes a quorum for transacting business at any meeting of the committee. No action may be approved without the vote of at least a Majority of the number of committee members. If a quorum is never present at any time during a meeting, the chair may adjourn and reconvene the meeting once without further notice.

7.06 Actions of Committees. Committees will try to take action by consensus. However, if a consensus is not available, the vote of a Majority of committee members constitutes the act of the committee.

7.07 Proxies. A committee member may not vote by proxy.

7.08 **Compensation.** Committee members may not receive salaries or any other form of remuneration for their services as Committee Members.

7.09 **Rules.** Each committee may adopt its own rules, consistent with these Bylaws or with other rules that may be adopted by the Board.

7.10 **Removal and Dissolution.** Any committee member may be removed and any committee may be dissolved by a Majority vote of the Directors, with or with or without good cause.

ARTICLE 8. FEES, ASSESSMENTS, DUES AND TRANSACTIONS OF THE CLUB

8.01 **Membership Fees.** The Board has the authority to set and change the amount of Fees payable to the Club by Members. Fees are payable as specified in the Lake Tanglewood Club Rules & Regulations, as such rules and regulations may, from time to time, be amended.

8.02 **Regular Assessments and Special Assessments.** Any increase in the amount of Regular Assessments and the imposition of Special Assessments must be approved by a vote of the Members.

8.03 **Contracts.** The Board may authorize any officer or agent of the Club to enter into a contract or execute and deliver any instrument in the name of, and on behalf of, the Club. This authority maybe limited to a specific contract or instrument, or it may extend to any number and type of possible contracts and instruments.

8.04 **Deposits.** All the Club's funds will be deposited to the credit of the Club in banks, trust companies, or other depositories that the Board selects.

8.05 **Gifts.** The Board may accept, on the Club's behalf, any contribution, gift, bequest, or devise for the general purposes or for any special purpose of the Club. The Board may make gifts and give charitable contributions not prohibited by these Bylaws, the articles of incorporation, state law, and provisions set out in federal tax law that must be complied with to maintain the Club's federal and state tax status.

8.06 **Potential Conflicts of Interest.** The Club may not make any loan to a Director or officer of the Club. A Member, Director, officer, or committee member of the Club may lend money to—and otherwise transact business with—the Club except as otherwise provided by these Bylaws, the articles of incorporation or certificate of formation, and applicable law. Such a person transacting business with the Club has the same rights and obligations relating to those matters as other persons transacting business with the Club. The Club may not borrow money from—or otherwise transact business with—a Member, Director, officer, or committee member of the Club unless the transaction is described fully in a legally binding instrument and is in the Club's best interests. The Club may not borrow money from—or otherwise transact business with—a Member, Director, officer, or committee member of the Club without full disclosure of all relevant facts and without the Board's approval, not including the vote of any person having a personal interest in the transaction.

8.07 Prohibited Acts. As long as the Club exists, and except with the Board's prior approval, no Member, Non-Owner Rights Holder, Director, officer, or committee member of the Club may:

- (a) Do any act in violation of these Bylaws or a binding obligation of the Club.
- (b) Do any act with the intention of harming the Club or any of its operations.
- (c) Do any act that would make it impossible or unnecessarily difficult to carry on the Club's intended or ordinary business.
- (d) Receive an improper personal benefit from the operation of the Club.
- (e) Use the Club's assets, directly or indirectly, for any purpose other than carrying on the Club's business.
- (f) Wrongfully transfer or dispose of Club property, including intangible property such as good will.
- (g) Use the Club's name (or any substantially similar name) or any trademark or trade name adopted by the Club, except on behalf of the Club in the ordinary course of its business.
- (h) Disclose any of the Club's business practices, trade secrets, or any other information not generally known to the business community to any person not authorized to receive it.

ARTICLE 9. ENFORCEMENT OF BYLAWS, LAKE TANGLEWOOD CLUB RULES & REGULATIONS, AND RESTRICTIVE COVENANTS

9.01 Authority of Club. The Club may take any of the following actions to enforce these Bylaws, the Lake Tanglewood Club Rules & Regulations, any other Governing Instrument, and all restrictive covenants governing the Property (such actions being referred to as "Enforcement Actions"):

- (a) Suspend a Member from using all Common Areas and amenities including, but not limited to, the lake, the golf course, and the restaurant;
- (b) Levy fines for violation of these Bylaws, the Lake Tanglewood Club Rules & Regulations, or any restrictive covenants;
- (c) Charge a Member for damage caused by a Member's violation of these Bylaws, the Lake Tanglewood Club Rules & Regulations, or any restrictive covenant;
- (d) Suspend a Member from entry gate privileges (e.g., privileges including but not limited to guest "call-in" privileges, houseguest

temporary gate permits, etc.). **Entry gate privileges that may be suspended do not include the right of the Member to use the entry gates to access his/her property (this right cannot be suspended);**

- (e) Placing liens on a Members' real property for non-payment of any indebtedness which may become due under the terms of the Restated Agreement, including but not limited to assessments as defined by Section 209.002 of the Texas Property Code.¹

9.02 Notice Before Enforcement Action. Before the Club takes any Enforcement Action, the Club must give written notice to the affected Member by certified mail, return receipt requested, that:

- (a) Describes the violation or property damage that is the basis for the Enforcement Action; and
- (b) Inform the affected Member that the Member:
 - (1) is entitled to a reasonable period to cure the violation and avoid the Enforcement Action unless the Member was given notice and a reasonable opportunity to cure a similar violation within the preceding six months;
 - (2) may request a hearing on or before the 30th day after the date the Member receives the notice; and
 - (3) may have special rights or relief related to the enforcement action under federal law, including the Service members Civil Relief Act, if the Member is serving on active military duty.

ARTICLE 10. BOOKS AND RECORDS

10.01 Records and Production Copying Policy. The Board has adopted a Records Production and Copying Policy, which is filed of record under Instrument No. 2015004772 of the Official Public Records of Randall County, Texas.

ARTICLE 11. INDEMNIFICATION

11.01 When Indemnification Is Required, Permitted, and Prohibited.

- (a) The Club will indemnify a Director, officer, Member, committee member, employee, or agent of the Club who was, is, or may be

¹ Section 209.002 of the Texas Property Code states the following: (1) "Assessment" means a regular assessment, special assessment, or other amount a property owner is required to pay a property owners' association under the dedicatory instrument or by law... (4) "Dedicatory instrument" means each governing instrument covering the establishment, maintenance, and operation of a residential subdivision. The term includes restrictions or similar instruments subjecting property to restrictive covenants, bylaws, or similar instruments governing the administration or operation of a property owners' association, to properly adopted rules and regulations of the property owners' association, and to all lawful amendments to the covenants, bylaws, rules, or regulations.

named defendant or respondent in any proceeding as a result of his or her actions or omissions within the scope of his or her official capacity in the Club. For the purposes of this article, an agent includes one who is or was serving at the Club's request as a Director, officer, partner, venturer, proprietor, trustee, partnership, joint venture, sole proprietorship, trust, employee-benefit plan, or other enterprise.

- (b) The Club will indemnify a person only if he or she acted in good faith and reasonably believed that his or her conduct was in the Club's best interests. In case of a criminal proceeding, the person may be indemnified only if he or she had no reasonable cause to believe that the conduct was unlawful. The Club will not indemnify a person who is found liable to the Club or is found liable to another on the basis of improperly receiving a personal benefit from the Club. A person is conclusively considered to have been found liable in relation to any claim, issue, or matter if the person has been adjudged liable by a court of competent jurisdiction and all appeals have been exhausted. Termination of a proceeding by judgment, order, settlement, conviction, or on a plea of nolo contendere or its equivalent does not necessarily preclude indemnification by the Club.
- (c) The Club will pay or reimburse expenses incurred by a Director, officer, committee member, employee, or agent of the Club in connection with the person's appearance as a witness or other participation in a proceeding involving or affecting the Club when the person is not a named defendant or respondent in the proceeding.
- (d) In addition to the situations otherwise described in this paragraph, the Club may indemnify a director, officer, Member, committee member, employee, or agent of the Club to the extent permitted by law. However, the Club will not indemnify any person in any situation in which indemnification is prohibited by Subsection 11.01(b), above.
- (e) The Club may advance expenses incurred or to be incurred in the defense of a proceeding to a person who might be eventually be entitled to indemnification, even though there has been no final disposition of the proceeding. Advancement of expenses may occur only when the procedural conditions specified in Subsection 11.03(c), below, have been satisfied. Furthermore, the Club will never advance expenses to a person before final disposition of a proceeding if the person is a named defendant or respondent in a proceeding brought by the Club or one or more Members or if the person is alleged to have improperly received a personal benefit or committed other willful or intentional misconduct.

11.02 Extent and Nature of Indemnity. The indemnity permitted under these Bylaws includes indemnity against judgments, penalties, (including excise and similar taxes), fines, settlements, and reasonable expenses (including attorney's fees) actually incurred in connection with the proceeding. If the proceeding was brought by or on behalf of

the Club, the indemnification is limited to reasonable expenses actually incurred by the person in connection with the proceeding.

11.03 Procedures Relating to Indemnification Payments.

- (a) Before the Club may pay any indemnification expenses (including attorney's fees), the Club must specifically determine that indemnification is permissible, authorize indemnification, and determine that expenses to be reimbursed are reasonable, except as provided in Subsection 11.03(c), below. The Club may make these determinations and decisions by any one of the following procedures:
 - (1) Majority vote of a quorum consisting of Directors who, at the time of the vote, are not named defendants or respondents in the proceeding.
 - (2) If such a quorum cannot be obtained, by a Majority vote of a committee of the Board, designated to act in the matter by a Majority vote of all Directors, consisting solely of two or more Directors who at the time of the vote are not named defendants or respondents in the proceeding.
 - (3) Determination by special legal counsel selected by the Board by the same vote as provided in Subparagraphs 11.03(a)(1) or 11.03(a)(2), above, or if such a quorum cannot be obtained and such a committee cannot be established, by a Majority vote of all Directors.
- (b) The Club will authorize indemnification and determine that expenses to be reimbursed are reasonable in the same manner that it determines whether indemnification is permissible. If special legal counsel determines that indemnification is permissible, authorization of indemnification and determination of reasonableness of expenses will be made as specified by Subsection 11.03(a)(3), above, governing selection of special legal counsel. A provision contained in the articles of incorporation, or a resolution of members of the Board that requires the indemnification permitted by Subsection 11.01, above, constitutes sufficient authorization of indemnification even though the provision may not have been adopted or authorized in the same manner as the determination that indemnification is permissible.
- (c) The Club will advance expenses before final disposition of a proceeding only after it determines that the facts then known would not preclude indemnification. The determination that the facts then known to those making the determination would not preclude indemnification and authorization of payment will be made in the same manner as a determination that indemnification is permissible under Subsections 11.03(a) and 11.03(b), above.

In addition to this determination, the Club may advance expenses only after it receives a written affirmation and undertaking from the person to receive the advance. The person's written affirmation will state that he or she has met the standard of conduct necessary for indemnification under these Bylaws. The written undertaking will provide for repayment of the amounts advanced by the Club if it is ultimately determined that the person has not met the requirements for indemnification. The undertaking will be an unlimited general obligation of the person, but it need not be secured and may be accepted without reference to financial ability to repay. Any indemnification or advance of expenses will be reported in writing to the Club's Members. The report will be made with or before the notice or waiver of notice of the next membership meeting, or with or before the next submission to Members of a consent to action without a meeting. In any case, the report will be sent within the 12-month period immediately following the date of the indemnification or advance.

11.04 Preservation of Charitable Immunity. The Club will at all times maintain a liability insurance policy in accordance with § 84.007(g) of the Texas Civil Practice and Remedies Code (the "CPRC") so that the provisions of Chapter 84 of the CPRC, including but not limited to provisions regarding charitable immunity, may apply to the Club and its Directors, Officers, Committee Members, employees, and volunteers. CRPC § 84.007(g) currently requires the coverage to apply to the acts or omissions of the Club and its employees and volunteers and to be in the amount of at least \$500,000 for each person and \$1,000,000 for each single occurrence for death or bodily injury and \$100,000 for each single occurrence for injury to or destruction of property. The coverage may be provided under a contract for insurance, a plan providing for self-insured retention that the Club has fully paid or establishes to a court that it is capable of fully and immediately paying, a Lloyd's plan, an indemnity policy to which all requirements for payment have been or will be met, or other plan of insurance authorized by statute and may be satisfied by the purchase of a \$1,000,000 bodily injury and property damage combined single limit policy. Coverage amounts are inclusive of a self-insured retention, a Lloyd's plan, or an indemnity policy to which all requirements for payment have been or will be met.

ARTICLE 12. NOTICES

12.01 Notice by Mail. Unless otherwise stated in these Bylaws, any notice required or permitted by these Bylaws to be given to a Member, Director, officer, or member of a committee of the Club may be given by mail. A notice is deemed delivered when deposited in the mail addressed to the person at his or her address as it appears on the corporate records, with postage prepaid. A person may change his or her address in the corporate records by giving written notice of the change to the secretary of the Club.

12.02 Signed Waiver of Notice. Whenever any notice is required by law or under the Articles of Incorporation or these Bylaws, a written waiver signed by the person entitled to receive such notice is considered the equivalent to giving the required notice. A waiver of notice is effective whether signed before or after the time stated in the notice being waived.

12.03 Waiving Notice by Attendance. A person's attendance at a meeting constitutes waiver of notice of the meeting unless the person attends for the express purpose of objecting to the transaction of any business because the meeting was not lawfully called or convened.

ARTICLE 13. AMENDING BYLAWS

These Bylaws may be altered, amended, or repealed, and new bylaws may be adopted only by a vote of the Owners in accordance with Article 4. The notice of any meeting at which these Bylaws are altered, amended, or repealed, or at which new bylaws are adopted will include the text of the proposed bylaw provisions as well as the text of any existing provisions proposed to be altered, amended, or repealed. Alternatively, the notice may include a fair summary of those provisions.

ARTICLE 14. FISCAL YEAR

Unless otherwise specified by the Board, the Club's fiscal year of the Club will begin on the first day of January and end on the last day in December in each year.

ARTICLE 15. MISCELLANEOUS PROVISIONS

15.01 Legal Authorities Governing Construction of Bylaws. These Bylaws will be construed under Texas law. All referenced in these Bylaws to statutes, regulations, or other sources of legal authority will refer to the authorities cited, or their successors, as they may be amended from time to time.

15.02 Legal Construction. To the greatest extent possible, these Bylaws shall be construed to conform to all legal requirements and all requirements for obtaining and maintaining all tax exemptions that may be available to nonprofit corporations. If any Bylaw provision is held invalid, illegal, or unenforceable in any respect, the invalidity, illegality, or unenforceability will not affect any other provision, and the Bylaws will be construed as if they had not included the invalid, illegal, or unenforceable provision.

15.03 Headings. The headings used in the Bylaws are for convenience and may not be considered in construing the Bylaws.

15.04 Number. All singular words include the plural, and all plural words include the singular.

15.06 Power of Attorney. A person may execute any instrument related to the Club by means of a power of attorney if an original executed copy of the power of attorney is provided to the secretary to be kept with the corporate records.

15.07 Parties Bound. The Bylaws will bind and inure to the benefit of the members, Directors, officers, committee members, employees, and agents of the Club and their respective heirs, executors, administrators, legal representatives, successors, and assigns except as the Bylaws otherwise provide.
