Dear Members,

Fall is upon us, get ready to enjoy cooler weather.

If you would like to serve on the Board we have three positions available this up coming year. Let them know in the office or contact a current board member. This is your opportunity to help the community. Your position would begin in February with elections in January.

Just to let you know, the Board is looking at increased Police coverage in the future. We had a few instances where it was needed this year.

Please contact any Board Member with ideas or suggestions. Have a great fall season.

John Teague
President

Children's Miracle Network TRIathlon 2014

Nine years ago, our community started sponsoring & supporting the Children's Miracle Network TRIathlon. Each year many of you have been so gracious to help during the TRIathlon.

To the 120 LT residents who volunteered to help -- thank you once again for volunteering 2 hours of your time to protecting our TRIathlon athletes who are swimming, biking, and running. Our volunteers are placed at intersections to prevent vehicle accidents. The athletes train for a year to compete in the triathlon.

To the residents who did not volunteer, we would love to have your help next year.

This year the TRI for CMN raised \$70,000 for children; 100% of the funds raised go to the CMN children. We do this for special children.

We publicized the TRIathlon in the September newsletter. We told you the routes. A map was included in the September newsletter. The marquee reminded you about the TRIathlon and the hours for Saturday. We appreciate the residents who did not drive on the roads during this time. To the few community residents who feel that this is an inconvenience—I cannot apologize for this is worthy cause that helps special needs children. Thank you to the many residents who support the TRI that helps these children. I am proud to live at the lake; I am proud of our volunteers; and I am proud of the TRIathlon.

GOLF NEWS

Howdy from the Golf Association.

By the time you read this we hopefully will have had another successful cleanup day on the back nine .

We had 10 Volunteers on the first cleanup back in the spring , and I hope to have more help the next go around . We are planning on 1 workday a month through the winter . This should pretty well take care of cleaning up all the Mesquites that look bad and also make it easier for Jeff's crew to mow and in return will help make it easier to find your golf ball . Our next scheduled work day is Oct. 18th 9 a.m. – Noon. I hope to see more than usual helpers to give us a hand . Jeff also removed about 25 dead trees on the front and back nine . We will decide which ones to replace in the future . We are going to replace the tall one behind #13 green immediately. This is the best way to locate the green when you are in the fairway and can't see the flag .

I want to send out thanks to everybody observing the Cart Path Only signs .The course is doing a great job of recovering from the drought and staying on the paths has helped a bunch . Remember that if you are handicapped and can't walk to your ball , there are handicap flags in the clubhouse which allows you to drive to your ball .Please try to stay out of rough with your carts though because they do not receive any water from the sprinkler system . A friendly reminder there are no ATV's allowed on the course .That is all I have for this month , so good luck with your golf game and hope to see you all at the volunteer work mornings . If you have any questions you can call me at 806-670-7745 .

LIBRARY NEWS

WE HAVE THE FIRST BOOK IN THE YOUNG ADULT SERIES DIVERGENT

FICTION

PERSONAL by Lee Child. Someone has taken a rifle shot at the president of France. Jack Reacher is called away from his life as a drifter to find the shooter, a man he had sent to prison.

SOMEWHERE SAFE WITH SOMEBODY GOOD by Jan Karon. Ms. Karon returns after a long hiatus with another Mitford story that offers to readers all the beloved, quirky characters.

INVISIBLE by James Patterson and David Ellis. Emmy Dockery takes leave from her job as an FBI researcher to find a link among hundreds of unsolved murder cases – one of which is her own sister.

THE CHILDREN ACT by Ian McEwan. Judge Fiona Maye must decide a case in her family court involving a 17-year-old boy who is refusing life-saving medical treatment for religious reasons.

EDGE OF ETERNITY by Ken Follett. Book Three of the Century Trilogy. It takes the five intertwined families (introduced in the first two books) through the 1960s and 1980s – a world we thought we knew but now will never seem the same again.

NON-FICTION

LAWRENCE IN ARABIA by Scott Anderson. War, deceit, imperial folly, and the making of the modern Middle East. Based on four years of intensive primary document research, it definitely overturns received wisdom on this period of history.

CAN'T WE TALK ABOUT SOMETHING MORE PLEASANT? by Roz Chast, a long-time cartoonist for the *New Yorker*. A memoir. It is the story of an only child watching her parents age well into their nineties. Her graphics provide a refreshing way to read a book about laughter, rage, love, and guilt.

AUDIO CDs

ANGELS WALKING by Karen Kingsbury. Baseball star Tyler Ames suffers a career-ending injury at the same time Sami, the love he left behind, moves on. Meanwhile, Virginia, with Alzheimer's, is confined to a retirement home. A team of angels takes on the mission to restore hope for all three. First in a new series.

DEATH OF A GOSSIP by M. C. Beaton. Loathsome Inspector Blair sends Cyril Sessions, a keen young police officer, to Lochdubh to monitor exactly what Constable Hamish Macbeth does every day. Macbeth hears about Blair's plan and is prepared to ensure that Cyril returns to headquarters with a full report. But Cyril is soon found dead, and Hamish is the prime suspect.

HEARTSTONE by Philip Margolin. Two brutal slayings have rocked a stunned city. But the murders are merely the nightmare's beginning, flinging open a Pandora's box of sordid secrets and dark revelations more deadly than the bloodlust that lives in the heart of a killer. Winner of the Edgar Award.

PRIVATE DOWN UNDER by James Patterson. A young Asian man, blood-soaked and bullet-ridden, staggers into the glittering launch party for Private's new Australian branch. What looks like a botched kidnapping turns out to be a whole lot more. Soon a horrific murder in the wealthy Eastern suburbs stretches the team to the limit.

100 YEARS OF SOLITUDE by Gabriel Garcia Marquez, Colombian Nobel laureate. The rise and fall of the mythical town of Macondo is reflected through the history of the Buendia family. One of the 20th century's most enduring works, it is a rich and beautiful chronicle of life, death, and the tragicomedy of humankind.

THE CRUELEST MONTH by Louise Penny. Death haunts an impromptu séance in Three Pines. It looks as if she died of fright – or maybe it was murder. Third in the series.

YOUNG ADULT

DIVERGENT by Veronica Roth. In dystopian Chicago, society is divided into five factions, each dedicated to the cultivation of a particular virtue. Tris Prior must decide to stay with her family or be who she really is.

PRIMARY

THE DAY THE CRAYONS QUIT by Drew Daywalt. Crayons have feelings, too, in this funny back-to-school story. Was highlighted at Barnes & Noble for the entire month of September.
