Dear Members,

THANKS!!!!!! To all of the Volunteers that participated in the Lake cleanup. We removed a lot of trash. And it was such a beautiful morning. WE do have great people at the Lake.....fellowship was great and of course the burgers supplied by the restaurant were outstanding. AGAIN....THANKS!!!!!!

Just a reminder to watch you boat speed in the no wake zones. We have had a few complaints of boats traveling too fast.

Be careful and safe!!!!

On behalf of the Board,
Rickey Sharp, President

THANK YOU!

We would like to thank our Paramedics and EMT's for their dedicated service to our community. These Ladies and Gentlemen serve our emergency medical needs both day and night as strictly volunteers. It is not unusual for them to have more than one call in the middle of the night while the rest of us are sleeping. Please join me in thanking them, they have saved numerous lives over the years:

REMINDER: Village Ordinance requires all construction projects (new construction, retaining walls, boat docks, fences, etc.) to obtain a building permit PRIOR to beginning construction within the LT boundaries. Failure to do so may result in a substantial fine. Please call the Village Office at 806-622-8711 for questions and permit application.

May has come and gone and we have skipped right into summer temperatures! The course is looking greener by the day and the maintenance guys are doing a wonderful job keeping up with the heat. Please pray for rain to replenish our lake and the panhandle area.

The junior golf clinic had their tournament on Saturday May 18th the results are as follows:

Girls Division I (10-12 year old)

Kennedy Adcock- 1st place

Sterling Buttrill- 2nd place

Girls Division II (8-9 year old)

Rachel Lafferty- 1st place

Stormie Grant- 2nd place

Savannah Miller- 3rd place

Boys Division I (11-13 year old)

Andrew Miller- 1st place

Adam Grant- 2nd place

Boys Division II (6-10 year old)

Jack Lankford- 1st place

Kaston Snyder- 2nd place

A special thank you to Cindy Greever for hosting this tournament and helping the kids learn about golf.

The renovation of the pond on hole #4 is completed. A new drain was built, the pond was made larger and deeper and a fountain was donated by Steve Jefferson. Sod was laid around the new area and with some rain it should blend in very nicely. Please thank Dave Thomson, Brady Meyer and Janel Freeman for the labor and materials they contributed to help this project beautify our course.

There are plans to build a new cart path on the north side of fairway #13 along the fence row. For safety reasons it has been decided this would be a better option as traffic coming down #14 is right in the line of players coming up #13.

The port of john that was between holes #15 and #16 has been moved behind green #13 and #14 tee box. It was moved to this new location so the service truck will not drive on the course. Brady Meyer and Janel Freeman placed the receptacle on the fence line and built an opening for it to be accessible to all.

Please remember this special note about the Night Lights tournaments!!! People that play in the day tournaments will have first right on the sign-up sheet for this tournament. Any questions please contact Janel Freeman at 654.2946.

There will be a quarterly meeting on SUNDAY JUNE 23 at the golf course club house, stating at 6pm. This will be our annual cookout and putting contest. Everyone is invited, so bring your putters! Please call Janel at 654.2946 to reserve your spot. It is preferred that a RSVP is made in order to plan for the cookout.

Couples golf will start on Friday June 7th at 6pm. everyone is welcome to play. The format is very laid back and fun. No expert golfers! Just a nice way to enjoy old friends and make new ones!

LIBRARY NEWS

A recent article in *Bottom Line Personal* is headlined “**Oldies But Goodies: Six Books You Haven’t Read Since High School But Will Enjoy More Now.**” The six books are as follows.

A Separate Peace by John Knowles

The Age of Innocence by Edith Wharton

The Great Gatsby by F. Scott Fitzgerald

Pride and Prejudice by Jane Austen

To Kill a Mockingbird by Harper Lee

The Adventures of Huckleberry Finn by Mark Twain

The article goes on to explain why these six are more meaningful now. They should make for very good summer reading, and we have all of the books in the Library! Why not set a personal goal to reread these classic novels?!!

CHILDREN AGES <12, JUNE 14, 6:00 PM. PLAN TO JOIN US!

NEW ON OUR SHELVES

FICTION

Murder on Waverly Place, No. 11 in the Gaslight Series by Victoria Thompson, has Sarah and Malloy protecting Sarah’s mother from scandal after she attends a séance where a woman is murdered in the pitch dark and all the suspects are holding hands.

Murder on Lexington Avenue is No. 12 in the series. Malloy is assigned to investigate the murder of an influential man in the deaf community, presumably because Malloy’s own son is deaf.

Due to a very generous donation, we now have eight new books in the Inspirational section. All have wonderful stories that will delight you. They are as follows.

Duskin by Grace Livingston Hill – sometimes known as the of Christian romance

Unlocked; Coming Home; and Every Now & Then all by Karen Kingsbury

Faithful Heart by Al Lacy

Reclaiming Lily by Patti Lacy

Until Forever by Darlene Shortridge

Angel Song by Sheila Walsh & Kathryn Cushman

Taking Eve by Iris Johansen has Eve Duncan, forensic sculptor, being forced to help Jim Doane decide if the skull fragments he has are his son’s.

Starting Now by Debbie Macomber brings us another of her wonderful stories about Blossom Street with Libby Morgan losing her job and finding friendship at the A Good Yarn shop.

Riders to Cibola by Norman Zollinger begins in 1900 and follows the McAndrews clan of New Mexico and the life of Ignacio Ortiz. It is a wonderful novel from an award-winning Western genre author.

What the Cat Saw by Carolyn Hart takes Nela Farley and us to Craddock, Oklahoma where she finds murder at the non-profit organization where she is filling in at her sister's job.

Ya-Yas in Bloom by Rebecca Wells is the third book about the Sisterhood and reveals the roots of their friendship in the 1930s.

Doc by Mary Doria Russell is a fictionalized story about Doc Holliday and his adventures with Wyatt Earp. *The Washington Post* says she has "brought these dusty myths back to life in a deeply sympathetic, aggressively researched, and wonderfully entertaining story." This book was the Amarillo Reads selection from the Amarillo Public Library system.

The Hit by David Baldacci weaves a tale of incredible twists and turns with lots of intrigue!

Little Green by Walter Mosley is the author's latest story featuring Ezekiel "Easy" Rawlins in the 1960s hippie era of Los Angeles.

Inferno by Dan Brown has Professor Robert Langdon solving another puzzle using Dante's *Divine Comedy* for clues.

Because of a very kind donation, we have added some books by popular authors not already on our shelves. They are as follows.

By Danielle Steel: **The Sins of the Mother**

By Fern Michaels: **Yesterday, Kentucky Sunrise, and Hey, Good Looking**

By Johanna Lindsey: **Captive of My Desires**

By Julie Garwood: **The Ideal Man and Shadow Music**

By James Patterson: **Merry Christmas, Alex Cross and 11th Hour**

CDs

Two by James Patterson – **Cross Fire** wherein Alex Cross gets married and Kyle Craig is back; **Private Berlin** is about tragedy striking Private's office and exposing a hidden past.

Betrayal by Danielle Steel is a thrilling novel about a renowned film director confronting an act of unimaginable treachery; the first devastating blow will not be the last.

YOUNG READERS

We Are Not Eaten by Yaks is a great story about twins Oliver and Celia whose adventure takes them to Tibet where they fall out of airplanes, battle Yetis, poison witches, and encounter one very large yak!

Panhandle Residents Are Now Receiving Emergency Alerts Via Cell Phones and Emails.

With thousands already signed up in the FREE Regional Mass Notification System, panhandle residents are poised to get first hand emergency alerts from either the National Weather Service or their local Emergency Manager. Panhandle residents are encouraged to go online at www.R2BeReady.com where they can opt-in to receive emergency alerts in the Texas Panhandle.

What is an emergency alert? They're timely notices that residents can receive directly from their Office of Emergency Management when severe conditions threaten public safety. By registering, residents can receive those alerts by cell phone, by text, by email or on their home phone. The purpose of this system is to keep residents informed of circumstances that may endanger their safety with the overall goal of reducing injury and loss of life in disaster situations.

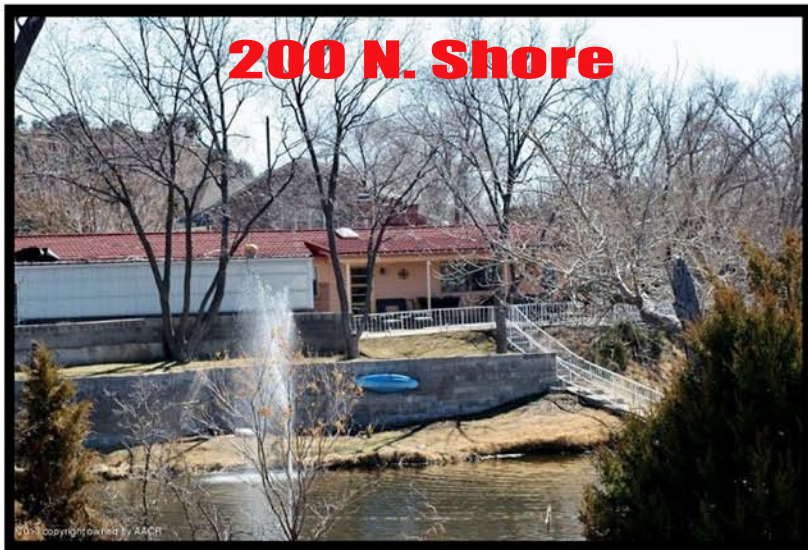

The system, which was funded by a grant from FEMA and with the support of the Amarillo Area Foundation, has been available for over a year. Many Lake Tanglewood residents have registered to receive these emergency alerts. Several have not yet registered. I strongly encourage all residents to register to receive these emergency alerts.

Many homes and thousands of acres were destroyed in the Texas Panhandle in 2011 due to wildfires. A recent report by the National Climatic Data Center says that 2011 saw more billion-dollar natural disasters than any year on record. The destructive May 2013 tornadoes in Texas and Oklahoma are reminders of the severe weather threat to our part of the country.

Disasters can strike anytime or anywhere. Being prepared is one of the most effective efforts we can make to protect our homes, businesses, and loved ones. This alert system is an important part of personal preparedness. If you are not registered, please register today at www.R2BeReady.com.
