Dear Members: **WELCOME TO SPRING!**

Construction on the patios and covered pergolas for the Community Center and the Restaurant has started. The renovation of the drainage down Camino Alto is near completion.

A spring cleaning day has been scheduled for April 13th. There will be a document shredding truck at the community center parking lot from 9:00 a.m. to 12:00 p.m. provided by Don Carver's company, UCI, for the residents to utilize; and there will also be two dumpsters provided by LSIOT for member use. This **will not be** a lake clean up event, so we will not be pulling anything out of the lake or picking up debris on road sides. This function is intended to provide members an opportunity to throw away some junk and shred old documents.

Reminder – The brush pile and the grass clipping area are meant for tree limbs, brush, cattails, and grass clippings only. The dumping of lumber, cross ties, construction material, trash, and household trash **ARE NOT ALLOWED**. Anyone caught dumping unauthorized materials will be subject to a fine. Please help us keep these areas clean and let your contractors and landscaping companies be aware of this rule.

Don't forget to come join us at the Restaurant. The daily specials are posted on Facebook and the Sunday brunch is from 9am to 1pm weekly. **(BEST BREAKFAST IN TOWN – Saturday and Sunday mornings)**

Community events and special days to mark on your calendar:

- April 13th – Spring Cleaning Day**
- April 20th - Easter egg hunt**
- April 21st – Easter Sunday**
- April 27th – Lake Tanglewood Anglers Club Bass Tournament (6:30am)**

“Please remember to pay attention to the speed limit on our streets and be safe and courteous on the lake and have a BLESSED EASTER!”

Sincerely,
Jeff Baker
LSIOT, Inc. General Manager

Building Permits

Village Ordinance requires most construction projects to obtain a building permit prior to beginning construction within Lake Tanglewood boundaries. Failure to obtain a permit may result in a substantial fine.

To obtain a Building Permit, a member must submit a Building Permit application and supplement documents (outlined in the application). Building Permit applications are available at Village Hall, Lake Tanglewood Corporation Office (LSIOT), or online at www.laketanglewood.org

Completed applications and documents may be emailed or dropped off in person to Village Hall or the LSIOT Office.

Building Permit applications must be submitted no later than noon on the Friday of the week prior to the Building Committee Meeting to be considered.

Roofing Permits can be obtained during normal business hours, with the submission of a Roofing Permit application.

LT LIONS CLUB

April 2019

"serving our community"

The February Chili Supper was a huge success. Thank you Lake Tanglewood for your donations and financial support for the Chili Supper. We raised just over \$11,000 for our charities and projects. Once again, thank you "Lakies" for supporting the Chili Supper.

During the Spring, the Lions Club has supported our young children at the lake by sponsoring the Little Sweetheart Dance and this month we are contributing to the Easter Egg Hunt.

We have 41 members in Lions Club. We are active. We have guest speakers each month.

Our flag service has been more successful than ever. Sherry & Sheila in the LT Office helped Lions by collecting flag money in January as they collected funds for the car, golf cart, & boat stickers. It really did help us to get our flag service completed in one month.

From the Village offices of Lake Tanglewood...

HELLO, Swingers and Hackers.

I hope this letter finds you well.

I received a call a while back from a new member here at the lake.

The gentleman introduced himself, and ask if he was speaking to the Golf Association President.

I replied yes sir, how can I help you. (We will call him Mr. X) Mr. X told me he had a group from town that he was a part of that enjoyed playing poker from time to time. He inquired about the Golf clubhouse and wondered if his poker club could use it. I pondered for a moment and then said, I don't see why not. Then I pondered some more (I like pondering) and thought to myself wait! Mr. X are you a Lake Tangelwood Golf Association Member. He replied no. I told Mr. X that it would be a good idea if he joined. He replied I'm already a member of the community? I told Mr. X Its only 20 dollars a year. He said no thanks so, I withdrew the offer of uses.

I think I'm a reasonable man and here is my reasoning. This will also be an explanation that I'm not sure that Lake People know. Although the Lake, Corporation, LSIOT dose own the course, we the members are the ones that do the fund raising, for the course amenities such as trees, cart paths, driving range, we host tournaments, we rebuilt the clubhouse top to bottom several years ago, and so on, and so on.

I just want everyone to understand that if it wern't for some hard working members the Golf course would not be nearly as nice as it is now. It was also some members with a vision that got us our Back Nine. This was done a lot with personal resources (I mean personal money, equipment) and sweat! I will end this rant with this... I wish that all Lake Members would join the LTGA and remain members for as long as you lived here. The small amount of money goes directly to the improvement of our course. Thank you for your ear.

Now on to other things. Looks like we have replenished our balls for the driving range and I see more and more folks using it. I love it when I see a Dad out with the little ones swinging away.

Just a note on the range, the ball picker can be used by anyone. Bring you UTV up and go get balls its kind a fun.

OK it's time for tournaments watch the marquee for times and dates. Millions of dollars in prizes and food!

Get your teams now and be ready. I will post a schedule on the board in the Clubhouse.

Take care out there.

ROGER D. TURNER

LTGA President
