Dear Members,

I hope everyone is staying safe during these crazy times.

Although our restaurant remains temporarily closed to in house dining, we are still open for **pickup** and **delivery** orders, so please give us a call at 622-3121 and we will be happy to cook for you. Restaurant hours for now are Wednesday through Saturday 11am-2pm, 5pm-8pm and closed on Sunday.

Reminder – The brush pile and the grass clipping area are meant for tree limbs, brush, cattails, and grass clippings only. The dumping of lumber, cross ties, construction material, trash, and household trash **ARE NOT ALLOWED.** Anyone caught dumping unauthorized materials will be subject to a fine. Please help us keep these areas clean and let your contractors and landscaping companies be aware of this rule.

WISHING A BLESSED EASTER TO ALL!

(Sunday April 12)

Sincerely,

Jeff Baker

RATTLESNAKE AVOIDANCE TRAINING

This weekend!!! Here is how Bomb City K9 Training & Diamondback Pest Control can "RATTLESNAKE PROOF" your pet dog! Domestic dogs have no clue that rattlesnakes are dangerous and are willing to approach them - even if they have been bitten before. Rattlesnake aversion training teaches your dog to safely and effectively avoid the dangers of rattlesnakes by using positive punishment methods. If you reside in a rural area or expose your dog to rattlesnake habitat, this training is a must. In just one session in under an hour of time, your dog will learn to stay away from rattlesnakes and avoid their sounds and smells. This significantly reduces their risk of snakebite, which can be lifesaving and preventing an expensive emergency vet visit. Our very realistic training process safely exposes the dog to the REAL smells, REAL sounds, and REAL sight of live, muzzled rattlesnakes. Because no form of positive reinforcement training teaches the dogs the true danger of rattlesnakes both quickly and indefinitely, with electronic stimulation and properly using electronic collars. We use E-Collar Technology to simulate a rattlesnake bite by causing momentary discomfort. This safe, quick stimulation that takes the place of the actual rattlesnake bite and communicates to the dog "rattlesnake = danger!" The training is effective for just about all dogs 6+ months old, regardless of the breed or size, and is typically retained for several years, and in many cases, the entirety of the dogs life.. First training event of 2020 will be March 28th-31st. \$130-per dog. 2 dogs=\$230. 3 or more dogs= \$100 each. For more details or Questions, call Dallas Dillard @ Diamondback Pest Control 806-236-6799 Trey Bates @ Bomb City K9 Training 806-236-9786

Building Permits

Village Ordinance requires most construction projects to obtain a building permit prior to beginning construction within Lake Tanglewood boundaries. Failure to obtain a permit may result in a substantial fine.

To obtain a Building Permit, a member must submit a Building Permit application and supplement documents (outlined in the application). Building Permit applications are available at Village Hall, Lake Tanglewood Corporation Office (LSIOT), or online at www.laketanglewood.org

Completed applications and documents may be emailed or dropped off in person to Village Hall or the LSIOT Office.

Building Permit applications must be submitted no later than noon on the Friday of the week prior to the Building Committee Meeting to be considered.

Roofing Permits can be obtained during normal business hours, with the submission of a Roofing Permit application.

LTGA

One of the biggest ways for the LTGA to raise money is by selling the 6" x 14" signs that attach to the tee box markers. You can put about anything you want on the sign, your company logo, a family picture or pictures of your grandkids, etc. Placement of the sign for the first year is by blind draw and then the next year the sign is moved to the next hole. For instance, if you draw hole #17 to start, then in 2 years your sign would be on the #1 hole. If you would like to do this, it is \$500 annually, you can get with Dean Logan 806-670-7745.

Thanks to Scott White for donating money for trees. Thanks to Harold, Marshall, Dave and others for helping me plant and water them.

COVID19 and Golf : The city has completely shut down their courses . PDC is limiting golf carts one per person. Leave the flag in the hole and putt out, it's not against the rules anymore. Keep your distance from other players (6ft). We don't have to worry about this one, but rake sand bunkers with your feet instead of handling the rakes until this blows over. Please limit the number of people in the pro shop to less than 10 according to city and state recommendation.

In early February my lake buddies and I got to take a golf trip to Palm Desert/Palm Springs. We played the Gary Player Signature Course in Rancho Mirage, The Pete Dye Resort Course in Mission Hills, and the Bighorn Golf Club Mountain Course in Palm Desert. In attendance were Harold Bradford, David Doshier, Dale Hutton, David Thompson, Scott White and myself. We met Brady and Janel Meyer out there.

Be safe, Rick Swope
