A spring-cleaning day has been scheduled for April 15th. There will be a document shredding truck at the community center parking lot from 9:00 a.m. to 12:00 p.m. provided by Don Carver’s company, UCI, for the residents to utilize; and there will also be two dumpsters provided by LSIOT for member use. This **will not be** a lake clean up event, so we will not be pulling anything out of the lake or picking up debris on road sides. This function is intended to provide members an opportunity to throw away some junk and shred old documents.

Reminder – The brush pile and the grass clipping area are meant for tree limbs, brush, cattails, and grass clippings only. The dumping of lumber, cross ties, construction material, trash, and household trash **ARE NOT ALLOWED**. Anyone caught dumping unauthorized materials will be subject to a fine. Please help us keep these areas clean and let your contractors and landscaping companies be aware of this rule.

Don’t forget to come join us at the Restaurant. The daily specials are posted on Facebook and the Sunday brunch is from 8:30am to 12. **(BEST BREAKFAST IN TOWN – Saturday and Sunday mornings)**

Community events and special days to mark on your calendar:

April 8th - Easter egg hunt at 11am

April 9th – Easter Sunday

April 13th – Informational meeting on LG Sonic lake improvement project 6:30p.m.

April 15th – Spring Cleaning Day

April 20th – Special Called Meeting to vote on assessment for LG Sonic project 6p.m.

“Please remember to pay attention to the speed limit on our streets and be safe and courteous on the lake and have a **BLESSED EASTER!**”

Deadline for Newsletter is

APRIL 20TH

Be sure to have it to us by NOON on this day!

Sincerely,
Jeff Baker

These will be posted on the LTAC website as well. We will be staging another public meeting on the LG Sonic water purification project in April. We will conference call the reps as we have met with them already and have answers for most of the questions asked in the primary meeting. We will get the date out when we have a specific date from them asap.

We are looking to do another fish stocking in the early summer depending on revenue. As soon as the water warms, the Bass Club will take volunteers down to the main ramp and we remove obstacles and trash to prevent damage to lower units being loaded and unloaded. Dates of all events will be posted on the LT bulletin board and the LTAC facebook pages. There have been some nice bass and wipers (our white bass/striper hybrids) being caught. Check my facebook page.

Get out and fish!

Thanks

Steve
