Dear members:

Road work has begun for the first time in two years. The estimated time frame for completion is about two weeks and will cover approximately three miles of the twelve miles we have. Tanglewood Drive, Turtle Creek and a small piece near the end of South Shore will be done. If you are having work done on your home or property near where road work is taking place, please make sure your contractors park well away from the road bed to give adequate room for the road crews. Funding for this work has come primarily from the improved operations at the restaurant.

Shortly we will also begin work on the fencing west and north of the front gate. Hopefully that will make some needed improvement to the approach to the gate.

As of two weeks ago, the lake levels were beginning to drop due to the high temperatures and reduced flow from the City of Amarillo. This may well continue until we get some relief from the heat, so be aware when out on the water. Stumps and other objects hidden when the lake is full will be getting closer to the surface.

While mosquitoes have not yet been a serious issue, Jeff and the maintenance guys have been treating for them.

Once again, the Rules and Regulations were substantially changed in January of this year. You may view them and/or print them from our website. The Club and the Village are making a concerted effort to enforce those Rules and Village Ordinances, so please take the time to familiarize yourself with the changes that have been made. Stay cool!

Activities Club

Come join us! - Visitors and New Members welcome!

The Activity Club will not have meetings for the month of August. We will be taking a meal to the volunteers at Heal the City.

We welcome ladies to come join us at Activity Club, Monday mornings at 10:00am and enjoy the fellowship and many fun and interesting activities we do: field trips to interesting places, speakers who share their talents and interesting experiences, helping where there's a need, such as learning more about the needs at Ronald McDonald House, making fleece blankets for the children at The Bridge, getting birdhouses ready for kids to paint at Hope and Healing, etc. A good way to meet a lot of nice ladies and make a difference as well!

GOLF NEWS

Howdy from the Golf Association,

Don't let Dave Thompson sucker you into a golf match with a 24 handicap. He had 2 hole in ones in a 2 month period, #11 and #5. Call me and I'll give you his revised handicap, somewhere between 8 and 10, ha ha. Congratulations on this rare fete.

We had a good turnout for the 4th of July red, white, and blue scramble. We alternated teeing off from the three different tee boxes making for some interesting scores. Thanks to Scott White's team for donating their winnings back to the golf association after shooting a 46. This was 4 strokes better than the second place team.

We will have couples golf on Fridays at 6P.M. weather permitting. The last tournament of the year will be the Labor Day 4 person scramble on Monday Sept.5th at 9:00 A.M. We will also have our quarterly Lake Tanglewood Golf Association meeting on Sunday Sept.25th 6:00 P.M. at the restaurant. There will be a \$15 per person charge for the meal so be sure to RSVP so we can plan how much food to prepare.

That's about it for now. If anybody has any questions, please give me a call at 670-7745.

Thanks'

Dean Logan (VP- LTGA)

Do you know that...

When a woman wears a leather dress, A man's heart beats quicker,
His throat gets dry and he goes weak in the knees.
And he begins to think irrationally..

Ever wonder why?

FICTION

THE LIGHT OF PARIS (*Eleanor Brown*) Madeleine feels trapped in every aspect of her life, including a failing marriage. When she finds her grandmother's forgotten Parisian diary, she is inspired by the life of this woman she never knew to reconnect to her love of painting, cultivating a vibrant circle of creative friends, and finding a kindred spirit in a down-to-earth chef.

BEFORE THE FALL (*Noah Hawley*) On a foggy summer night 10 people – nine privileged, one a down-on-his-luck painter – board a private jet in Martha's Vineyard. The plane never reaches its destination, and the only survivors are the painter and a six-year-old boy, the last remaining member of a very wealthy media mogul's family. Eventually a picture begins to emerge of the mystery surrounding the crash.

LOVE LIES BENEATH (*Ellen Hopkins*) Tara is gorgeous, affluent, and forty. She lives in an impeccably restored Russian Hill mansion in San Francisco. Once a widow, twice divorced, she's a woman with a past she prefers keeping to herself. Enter Cavin Lattimore. He's handsome, kind, charming, and the surgeon assigned to Tara following a ski accident in Lake Tahoe. In the weeks it takes her to recover, Cavin sweeps her off her feet and their relationship blossoms into something Tara had never imagined possible. But then she begins to notice some strange things: a van parked outside her home at odd times, a break-in, threatening text messages and emails.

FALL OF MAN IN WILMSLOW (*David Lagercrantz*) tasked with investigating the suicide of a local recluse, computer genius Alan Turing, Detective Sergeant Corell is torn between admiration for the dead man's brilliance and disgust for his sexuality. A succession of remarkable discoveries drives Corell to examine his own prejudice, and then he is rocked by two startling developments.

TRULY MADLY GUILTY (*Liane Moriarty*) When Clementine's best friend Erika mentions a last-minute invitation to a barbecue with her neighbors, Tiffany and Vid, Clementine and Sam don't hesitate to go. Two months later, they can't stop asking themselves: "What if we hadn't gone?"

EVERYBODY'S FOOL (*Richard Russo*) The irresistible Sully (*Nobody's Fool*), who in the intervening years has come by some unexpected good fortune, is staring down a VA cardiologist's estimate that he only has a year or two left. Now Sully is busy as hell keeping the news from the most important people in his life.

GHOSTS OF WAR (*Brad Taylor*) The Taskforce has stopped countless terrorist threats across the globe, operating outside of US law to prevent the death of innocents. But now, along the fault lines of the old Iron Curtain, the danger is far greater than a single attack. With Russia expanding its influence from Syria to the Baltic States, the Taskforce is placed on stand-down because of the actions of one rogue.

FOREIGN AGENT (*Brad Thor*) A clandestine American operations team, located near the Syrian border, readies to launch a dramatic mission to take out the director of social media for ISIS. When the operation blows up, counterterrorism agent Scot Harvath finds himself at the center of the storm, seeking answers – and revenge.

BROOKLYN (*Colm Toibin*) In the 1950s, Eilis reluctantly leaves Ireland for a job in America. In unfriendly, strange Brooklyn, she finally finds a sort of happiness – and even falls in love. But the news from home forces her back, to new possibilities that conflict with her life in Brooklyn.

NON-FICTION

THE HOUSE BY THE LAKE (*Thomas Harding*) *House by the Lake* is a groundbreaking work of history, revealing the story of Germany through the inhabitants of one small wooden building: a nobleman farmer, a prosperous Jewish family, a renowned Nazi composer, a widow and her children, a Stasi informant. Moving from the late nineteenth century to the present day, from the devastation of two world wars to the dividing and reuniting of a nation, it is a story of domestic joy and contentment, of terrible grief and tragedy, and of a hatred handed down through the generations.

AUDIO

13 ½ (*Nevada Barr*) When a lonely single mother meets a charming architect, she is immediately smitten with this man who spends most of his time with his brother. They marry, but soon her husband's increasing dark moods worry her. His brother seems to influence him in inexplicable ways. A standalone mystery by the author of the Anna Pigeon series. "Keep the lights on... intense psychological thriller. The tensions so tight you'll be rethinking every motive and clue up to the finale.

IF I RUN (*Teri Blackstock*) Casey Cox's DNA is all over the crime scene. There's no use talking to the police; they have failed her abysmally before. She has to flee before she is arrested – or worse. The truth doesn't matter anymore.

HOME BY NIGHTFALL (*Charles Finch*) A death in the family brings gentleman sleuth Charles Lenox back to the country house where he grew up – just in time to confront an odd, unsettling crime in a nearby village. Meanwhile, he is investigating the disappearance of a famous foreign pianist in London.

THE BODY (*Stephen King*) a mesmerizing tale of four young boys and their quest to find a dead body, never realizing how much death will affect their lives and friendship.

THE REVENANT (*Michael Punke*) In 1823, Hugh Glass is one of the Rocky Mountain Fur Company's finest trappers. When a grizzly bear viciously mauls him, his fellow trappers take his precious gun and hatchet and leave him for dead. Glass is driven to survive by one desire: revenge. Based on true events.

Village Notes

As we head into the last half of summer, I want to thank all of our residents for getting us off to a safe start. Regardless the number of rules and ordinances we have or how many patrolmen are on duty, safety is an individual responsibility. I appreciate your efforts to keep you and your loved ones safe as you enjoy the blessings of living here at the lake.

Part of the effort to keep us safe and prevent accidents falls on our police department. This summer our patrolmen have been working more hours and placing a stronger emphasis on safety related vehicle and boating violations. This effort is invisible to most of us. Those who choose to violate the rules and ordinances however, are beginning to gain firsthand knowledge that we are serious about safety.

We are blessed to be able to live here at the Lake. From a safety standpoint we live in a challenging environment. The lake is small and frequently congested with a variety of watercraft, including high performance boats and jet skis. Our streets are narrow and challenging, having a mixture of wild and domestic animals, pedestrians, children, bicycles, golf carts, cars, trucks and a mixture of atvs and utility vehicles. The rules and ordinances have been established to allow for safe recreation and living in our village. Please respect them.

While on the subject of recreation and fun, don't forget two big upcoming events. The first will be the annual **Tailgate Party**. The tailgate party will be **Saturday August 13th** at the Community Center parking lot. Bring lawn chairs, food to share and dance to live music.

The next big event is the **Lake Tanglewood-Childrens' Miracle Network TriAthlon**. This will be **the morning of Saturday Sept 10th**. During the triathlon, traffic will be disrupted and rerouted so you will need to plan accordingly, be patient and respect the volunteers directing traffic. If you are planning a party, social or business event that day, it will be best to plan it for after 1:00PM. Cindy Greever is once again doing a yeoman's job of coordinating the volunteers for this big event.

Mayor

Village of Lake Tanglewood Roofing Requirements (2016)

Permits are required for all roofing projects over 100 sq. ft. Residential roofing permits are \$50.00 with one inspection (min.) at \$125.00. (Note: new construction roofing will be included in the new home construction permit. A separate permit is not required).

Roof coverings of asphalt shingle, wood, slate, clay, cement, or asbestos cement tile shall not be installed without first removing all existing layers of roof coverings. An additional layer of those materials on top of an existing layer is not permitted: {see exceptions for complete and separate metal roofing systems in the 2015 International Residential Code}

Wood shakes and shingles shall only be used on solid sheathing.

Required Information on Building Permit Application for Roofing:

- Section I All homeowner's information.
- Section II All contractor's contact and insurance (bonding and liability) information.
- Section III State type of building (main dwelling, detached garage, shed, etc.) and type of roof material (asphalt shingle, wood, etc.). If this is the main dwelling, please indicate if there is an attached garage or any fuel-fired appliances.

Carbon Monoxide Alarms

Carbon Monoxide Alarms are required in dwellings that have attached garages or fuel-fired appliances. A minimum of one (1) CO alarm is required at each sleeping area, outside the bedroom(s). Example: a hallway common to one or more bedroom doorways is considered a sleeping area. It is possible to have a combination smoke and carbon monoxide alarm.

Approved alarms shall be installed in accordance with manufacturer's installation instructions or located on the wall at a height 42 to 90 inches above floor, avoiding locations near heating/cooling vents or areas which provide turbulent airflow, and minimum 36 inches away from openings to areas of high humidity. Avoid installing CO alarms in kitchens or above fuel-burning appliances.

In order to pass the roofing inspection, required CO alarm(s) must be installed.

The Building Committee recommends obtaining the services of a roofing contractor who is licensed with the City of Amarillo or with the City of Canyon. These contractors carry a \$20,000 bond and \$300,000 residential liability insurance.
