Dear Members:

For added security, we will soon be adding a gate arm on the exit for the main gate. The gate will open automatically as your vehicle approaches. Please approach the gate slowly. When we know the date the gate will begin operation, we will send out notification ahead of time.

The maintenance is currently treating for mosquitos and will continue as needed throughout the year to help control the population. As homeowners, you can also help by keeping grass mowed down, avoid over watering the lawn, and eliminating any standing water around the home; including cans, buckets, old tires, pots, plant saucers, etc. Also, companies like Panhandle Greenhouses and Pro-Chem offer several safe products that can be applied around the home to help control the mosquito population.

Come join us at the Restaurant. The daily specials are posted on Facebook and the Sunday brunch is from 8:30 to 12 weekly. **(BEST BREAKFAST IN TOWN – Saturday and Sunday mornings)**

“Please remember to pay attention to the speed limit on our streets; and be safe, courteous, and follow the rules while on the lake.”

Community events and special days to mark on your calendar:

REMEMBER THE 3 C's!

Stay healthy and help stop the spread of coronavirus, influenza and other illnesses by following the 3 C's:

Cover

Cough into the crook of your elbow or into a tissue that is immediately thrown away.

Clean

Frequently wash your hands with warm water and soap for 20 seconds—about the time it takes to sing Happy Birthday twice.

Contain

Stay home when you are sick until you have been free of fever for 24 hours.

Thank you all for participating!

Last Saturday was the 2nd annual Kids Fishing Derby. We had approximately 35 young anglers participate and they were catching all kinds of fish. Fishing poles, shirts and ribbons were handed out to the kids and we grilled burgers for the families to end a successful day of fishing. Thanks to all who donated, assisted and had to put up with LTAC and the Lions Club. We have our 5th and final 2021 Bass Series tournament coming up (TBA) in August. We will present plaques to those winners in early September.

Remember to catch and release your fish and please be courteous on the water.

Be safe.

Steve

LT LIONS CLUB

The Club installed new officers in early July. They are: Steve Camarata, Pres., Andrew Glenn, 1st VP, Dan Cowan, 2nd VP, and Ricky Sharp as treasurer. We have not elected an administrative assistant yet. We have several projects coming up this year including playground renovations, boat ramp and fishing dock renovations and construction. Our annual membership drive dinner will be held in September (TBA).

Join the Club today. We are always looking for those who want to give back to the community. Come to a meeting, have dinner on us and see what we do.

Thanks very much

Steve

Dear Robert Hulsey:

Insurance Services Office (ISO) has submitted a recommendation concerning your community's Public Protection Classification (PPC). Currently, the Community's Public Protection Classification is a Class **03**.

Insurance Services Office is recommending the classification to remain a Class 03 with an effective date of 11/1/2021. The recommendation is based on a review of your community performed on 7/1/2020 and **does not** include application of the Texas Exception to the Fire Suppression Rating Schedule.

With a single class rating, all class-rated properties will use **Class 03**.

Public Protection Classifications range from 1 (superior) to 10 (does not meet minimum qualifications).

We have reviewed the information provided and believe it is enough to grant approval. The Insurance Services Office will be notified of our approval of their recommendation and the effective date.

If you have any questions regarding this change, you may be reached at the address indicated above or by email to PPCOversight@tdi.texas.gov.

Please make sure all community officials and residents within your district are notified of the new Public Protection Classification rating for your community, and the effective date.

We would like to find out how you feel about the Public Protection Classification (PPC) process and the Insurance Services Office (ISO) inspection services, by your participation in a brief customer satisfaction survey.

As a newly rated community you are our target audience, and we would appreciate your feedback. The data you provide to us will assist us in reviewing our processes to make our relationships better. Please click [here](#) to complete our customer satisfaction survey.

We thank you for your time.

Sincerely,

Joel Duke
