Dear Members:

### Happy Holidays!

We have two projects currently underway that will enhance both the security at the main gate and provide for a much nicer park restroom set up for the community. The renovated gate entrance will provide a toll tag lane for members and immediate family and a separate lane that will check in with the gate guard for contractors, guests, members without toll tags, and vehicles pulling boats. This year instead of purchasing a triangle sticker, members will purchase toll tags at the same cost that stickers were previously. The gate will soon be finished, but will not be activated until the middle to end of January to allow time for members to purchase tags. Both projects are coming along nicely, and we apologize for any inconvenience during construction and greatly appreciate your patience. The park restrooms should be finished soon and will be open year round.

The maintenance staff are working hard to prepare for winter including outfitting the snow trucks, putting up snow fence, and winterizing wells.

Don't forget to come join us at the Restaurant. The daily specials are posted on Facebook and the Sunday brunch is from 9am to 1pm weekly. Our restaurant makes excellent soups daily and try ordering some delicious pizza for game night.

**On behalf of all the staff of LSIOT, we wish everyone a Merry Christmas!**

### Community events and special days to mark on your calendar:

**December 25<sup>th</sup> - Christmas**

**January 25<sup>th</sup> – Annual LSIOT Membership Meeting**

**February 18<sup>th</sup> – Lions Club Chili Supper at the Community Center**

Deadline for Newsletter is

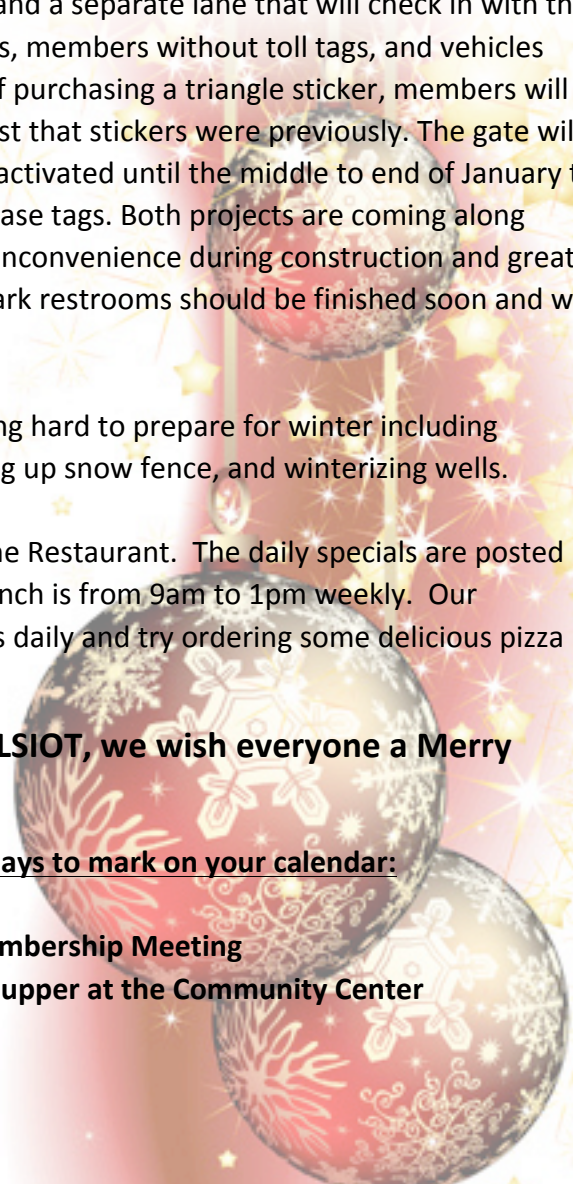

DECEMBER 20TH

Be sure to have it to us by NOON  
on this day!

Sincerely,

Jeff Baker

LSIOT, Inc. General Manager

# LAKE TANGLEWOOD

## *Activities Club*

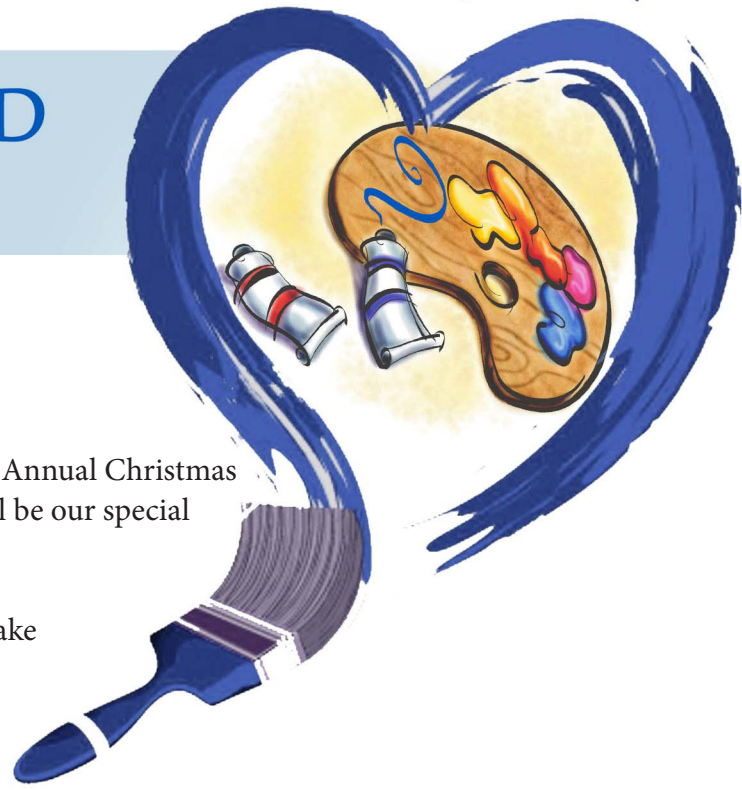

Come join us! - Visitors and New Members welcome!

There will be no meetings in December for the Activity Club.

Monday, December 11, 6:00 P.M. the Activity Club will have their Annual Christmas Dinner. The Randall High School "Bravo" (a cappella Singers) will be our special guests and entertainment.

We would also like to invite Randall High School students from Lake Tanglewood and their families to join us.  
Please RSVP by Friday, December 8 to Katie Gensler - 622-0549.

Christmas blessings to all!

# Running for Board of Directors

My name is David Doshier and I am running for the Board of Directors this upcoming election. I am currently serving on the Board, as I am filling in for a resigning members place. I have enjoyed learning about our community and would proudly serve a full term.

My wife, Marianne, and I moved here in November of 2010 and have enjoyed it very much. We each have a child , two granddaughters and another one on the way!

I grew up in Vega Tx and farmed and ranched my entire life Having sold the farm, we decided to move here and enjoy a little stressed free lifestyle! I graduated from WT with a degree in Ag Business and Economics. I served on the Vega school Board for 9 years. I have also served on regional ag lending association for 9 years.

Thanks for your consideration.

Sincerely,

David Doshier

---

My name is John Johnson and I am running for the Board of Directors.

I was born in Amarillo, Texas and I graduated from Amarillo High and received my Bachelor of Science degree from the University of Nebraska.

I have been married to my wife Sara for 24 years and we have two sons Slater and Spencer. Both sons are attending college.

We have leased and owned properties at Lake Tanglewood for the last five years.

I am Owner Operator Integrity Motors for 17 years and Owner and President Country Chevrolet in Borger since 2016.

Thank you for your consideration,

John Johnson

My name is Joe Paul I am running for the Board of Directors this coming election.

I am married to my beautiful wife Leslie. My wife Leslie and I have been a full time resident here at Lake Tanglewood since May of 2015. We never knew where Lake Tanglewood was from Amarillo but since our daughter and son-in-law move out here in April of 2014, we told them we would help them remodel their kitchen. And after four months of driving to Lake Tanglewood the rest is history because we were hooked after that ( no pun intended ) ! We are blessed to have five daughters and three son-in-laws ( and maybe another son-in-law soon ) which have given us 7 grandchildren to spoil rotten and send back home. With two more daughters to marry, things in our life will be even more colorful in the future. We have enjoyed getting to share with them the lake life that we have out here.

At the age of three years old I was blessed to grow up on the farm and then become involved in many facets of the farming business, grain business and commercial livestock production business. I believe that this exposure to these businesses could be an asset to help the people who live here and work here at Lake Tanglewood. I would appreciate your vote for the board position and will do my best for the people who live here and work here.

Thank you for your consideration..

Sincerely,  
Joe Paul

---

I am Steve Camarata and I am running for the Board of Directors.

I have been a homeowner at the lake since March 2015. I am 61 years old and have been in the land surveying business for 16 years.

I have experience in all areas of construction and maintenance. Experience and training in animal science, wildlife management, topography and geography.

I am married to Pam and she is an elementary school principal

My goals are to assist and provide through our form of government a safe and secure environment for residents.

Expressing concern and listening to all ideas which in turn will lead to a more progressive and conservative community.

Thank you for your consideration,  
Steve Camarata

---

My wife Rachelle and I moved to Lake Tanglewood around 2 years ago as full-time residents. Both of us grew up in small towns and Tanglewood was a natural fit for my family. We are dedicated to the community and while I have not been here very long I want to run to make a difference because it affects me and my kids. I utilize the lake and its facilities on a regular basis and want to ensure safety and success in the community. Because I live here full time I feel it is my duty to have a vested interest in its future success. I feel it may be a good thing that I have not lived here for years because it allows me to look at the issues that arise with a fresh mind and ideas. Thank you for your vote and faith in me.

## THE RUSSELL ACTIVITY CENTER

Lee and Natalie Russell truly believed in helping others. Natalie was an advocate of physical education and was honored at Amarillo College for her work with students. The Russells generously donated money to the Lake Tanglewood Church. A community-wide steering committee thought that Lee and Natalie would be honored and recognized if their money was used to renovate the old court area and make it into a facility that could be used by both the church and the community.

The photo above shows what the Russell Activity Center (RAC) could look like. The church members unanimously voted to spend the Russell money to renovate the old athletic area. The new center will have a basketball area with six goals, a tennis court, a volleyball court, multiple pickle ball courts, and a pavilion that will shelter people from the sun or rain. Half of the pavilion will be enclosed so that the church teenagers may have an area for their meetings and praise & worship. When the church is not using the RAC, it will be available to the public. Community members may reserve the RAC by scheduling at the LSIOT office.

Anyone who would like to donate in order to help complete the RAC can make a TAX-FREE donation to the Lake Tanglewood Church, 106 Tanglewood Drive, with a memo that it is for the RAC. Donations will be used to help install new fencing, central heat & air in the pavilion, and picnic tables/benches, as well as enhance the landscaping. Any donations are appreciated.

The church plans to have a cookout Memorial Day to celebrate the completion of the RAC. Everyone is invited.
