Hello everyone, I hope this finds you well.

Here we are at the end of another golfing season, although some of us will continue to play as the weather allows.

I just wanted to take a moment. To thank our community for your part in supporting the Golf association, the golf course, keeping it clean, signing in, paying for your guest, and picking up the dog poo!

Also would like to thank our mowing crew for mowing and mowing and mowing this spring because of our fantastic amount of rainfall that we had. The mowing crew had their hands full and did a fine job of keeping up.

We continue to talk with the leadership here at At The Lake on funding to improve our golf course, such as tea boxes, greens, and fairways,, and as always using funds raised from scrambles here at the for improvements to our golf course.

The leadership of the LTGA would like to say to all the residents. Happy Thanksgiving.

Merry Christmas

And have a wonderful New Year!

As always, if you have any questions or concerns, contact me Roger Turner at 806-681-1196.

Thank you for your attention to this matter!

Your favorite president

Roger D Turner.

LT LIONS CLUB

Lions will meet the first and third Thursday of every month 7:00 pm at the Community Center.

AND
HAPPY NEW YEAR

Lake Tanglewood Fire Department would like to wish everyone a Happy and Safe Holiday Season! We are very grateful for the opportunity to serve our wonderful community and appreciate your support.

As a new year soon approaches we are looking for volunteers who would like to serve our community. If you have an interest in joining or would like to learn more about your fire department our regularly schedule trainings are on the 1st and 3rd Tuesday or each month. You may also contact any member of the fire department, and we would be glad to visit and answer any questions you have.

Please take a look at the following Holiday Fire Safety tips from the National Fire Protection Association (NFPA):

Winter Holiday Safety

Winter holidays are a time for families and friends to get together. But that also means a greater risk for fire. Following a few simple tips will ensure a happy and fire-safe holiday season.

HOLIDAY DECORATING

- Be careful with holiday decorations. Choose decorations that are flame resistant or flame retardant.
- Keep lit candles away from decorations and other things that can burn.
- Some lights are only for indoor or outdoor use, but not both.
- Replace any string of lights with worn or broken cords or loose bulb connections. Read manufacturer's instructions for number of light strands to connect.
- Use clips, not nails, to hang lights so the cords do not get damaged.
- Keep decorations away from windows and doors.

HOLIDAY ENTERTAINING

- Test your smoke alarms and tell guests about your home fire escape plan.
- Keep children and pets away from lit candles.
- Keep matches and lighters up high in a locked cabinet.
- Stay in the kitchen when cooking on the stovetop.
- Ask smokers to smoke outside. Remind smokers to keep their smoking materials with them so young children do not touch them.
- Provide large, deep ashtrays for smokers. Wet cigarette butts with water before discarding.

Before Heading Out or to Bed

Blow out lit candles when you leave the room or go to bed. **Turn off** all light strings and decorations before leaving home or going to bed.

FACTS

More than **one-third** of home decoration fires are started by candles.

More than **two of every five** decoration fires happen because decorations are placed too close to a heat source.

Steve Camarata BOD

I am presently employed and have worked for 23 years as a land survey technician with HBD, LLC in Amarillo. Prior to that, I was employed as a construction supervisor with the City of Amarillo for 18 years. I also have prior training in animal science and wildlife management.

I have served on past LSIOT boards for 5 years, 3 of those years as President. I am President of LTAC (Lake Tanglewood Anglers Club). In the past I presided over our Lake Tanglewood Lions Club and currently serve as an administrator.

My wife Pam, who is a retired school principal with AISD, now works as a field supervisor for beginning teachers in the Texas Panhandle.

Listening to the ideas and concerns of our residents is integral in providing a secure environment and conserving our way of life at Lake Tanglewood. I would consider it an honor and privilege to serve on the Board and to follow behind those who have dedicated their time and efforts to make our community a great place to live.
