## Some books from our shelves to begin a New Year of reading:

### Fiction

The Madness of Crowds by Louise Penny – *Mystery & Detective* – (Part of Chief Inspector Armand Gamache series)

While he is perplexed as to why the head of homicide for the Sûreté du Québec would be assigned this task to provide security, it sounds easy enough. That is until Gamache starts looking into Professor Abigail Robinson and discovers an agenda so repulsive he begs the university to cancel the lecture.

The Noise by James Patterson/J.D. Barker – *Thriller/Psychological*

In the shadow of Mount Hood, sixteen-year-old Tennant is checking rabbit traps with her eight-year-old sister Sophie when the girls are suddenly overcome by a strange vibration rising out of the forest, building in intensity until it sounds like a deafening crescendo of screams. From out of nowhere, their father sweeps them up and drops them through a trapdoor into a storm cellar. But the sound only gets worse ....

The Last Thing He Told Me by Laura Dave - *Thriller/Suspense* - NYT bestseller – Reese Witherspoon Book Club pick

A 'gripping' (*Entertainment Weekly*) mystery about a woman who thinks she's found the love of her life, until he disappears. When her husband of a year disappears, Hannah quickly learns he is not who he said he was and is left to sort out the truth with just one ally- her husband's teenage daughter, who hates her.

Celtic Empire by Clive Cussler – *Action/Adventure* – Dirk Pitt Series

The murders of a team of United Nations scientists in El Salvador...A deadly collision in the waterways off the city of Detroit. . . An attack by tomb raiders on an archaeological site along the banks of the Nile...Is there a link between these violent events? The answer may lie in the tale of an Egyptian princess forced to flee the armies of her father three thousand years ago.

### Biography

The Beauty in Breaking by Michele Harper - *Memoir*

Harper's debut is a compelling memoir about her life as a Black woman emergency room doctor and how that work overlaps with the complexities of life. Harper explores hurt and healing, race and gender, justice and hope with candor and compassion. --*Ms. Magazine*

I would appreciate your vote.

## **STEVE LONG**

Steve Long, a proud resident of Amarillo for 59 years, is the dedicated owner of BCL Roofing & Construction LLC. Born and raised in this vibrant Texan city, Steve graduated from Caprock High School in 1983, marking the beginning of his journey in the construction industry.

In January 2007, armed with a vision for quality craftsmanship and exceptional service, Steve founded BCL Roofing & Construction LLC. ## **WAYNE WOODWARD**

My wife and I have lived in Lake Tanglewood for 4 years. I have two degrees from West Texas A&M University one being a graduate degree and a graduate degree from Valparaiso University (Indiana). I have a masters degree in education and a master of nursing with a specialty as a nurse practitioner. I worked in private practice for several years as a nurse practitioner and then was employed as a nurse practitioner at the Amarillo VA Medical Center for 13 years.

In the last 3 years I have attended 90-95% of LSIOT homeowners meetings and learned as much as I could by sitting out in the audience and asking questions. I have been active in the Lake Tanglewood community since my wife and I built our home. I started and taught a class of Tai Chi for several months until CoVid ended that and recently started a Lake Tanglewood Chess Club.

My goal is to see that Lake Tanglewood continues to be well cared for and maintained at a high standard and be financially sound. If I am not elected to this position, I promise that I will continue to attend 90 to 95 percent of LSIOT meetings because I am very interested in this community.

## **DANIEL COWAN**

Name: Daniel (Dan) Cowan

Married to: Dolly Cowan for 33 years. We have 5 kids and 4 grandkids.

Amarillo area resident for over 38 years, mostly living in the town of Panhandle. Tanglewood resident since March 2018.

Present Employment Position: Pharmaceutical Sales Representative

Past Employers: Vibra-Whirl Sports (Panhandle) , Accelerated Learning Center (A business I owned), Clowe & Cowan, Inc. (My family business)

What I like most about Lake Tanglewood: I live here because I love the community. Lake Tanglewood has some of the best people in the Texas Panhandle. Also, I like the sense of escape I feel the second I drive past the guard gate on the way to my Tanglewood home at the end of a long work day.

Tanglewood Community Involvement: I am a member and current President of the Lake Tanglewood Lion's Club. I am a member and Elder of Lake Tanglewood Community Church. I previously served on the LSIOT board from January 2020 to January 2023.

## **DWAYNE HOLLIS**

My name is Dwayne Hollis. I am running for Lake Tanglewood Board of Directors.

I live at 516 Melody and have been a resident of Lake Tanglewood for four and half years. I am 58 years old and grew up in this area. I graduated from Canyon High School and West Texas A&M with a Bachelors Degree in Ag Business and Economics. I am engaged to Kelly Snow. I have three grown kids and four grandchildren.

Upon graduation from college, I worked 15 years in cattle procurement for what is today JBS. JBS is the largest beef production company in the world. I left the cattle business in 2003 to go into full time pastoral ministry at Trinity Fellowship Church and served as Men's Pastor for 9 years. In 2012, I went back into the cattle business and joined my brother Delbert, President and owner of Cattle Marketing Services here in Amarillo. Cattle Marketing Services is one of the largest privately owned feeder cattle and calf procurement companies in Texas, buying, selling and handling between 150,000 and 200,000 cattle annually. I am the Chief Financial Officer of Cattle Marketing Services. As CFO of CMS, I am responsible for the day-to-day financial management of the company, futures and options positions/risk management, cattle contracts, feed yard consulting and personally owned cattle. I have served on several boards previously including President of a private Christian school board and President of the Randall County Livestock Show Board.

I love living here in Lake Tanglewood. It has been a lifelong dream to live here one day. The beauty, tranquility, peace, and community life we share and experience together is unmatched to anything else in the Texas Panhandle. We are all very blessed to have the opportunity to live in such beautiful surroundings and enjoy the lake and community amenities as residents of Lake Tanglewood. I would like to have the opportunity to continue to help grow, guide and shape our community as a board member. I sincerely appreciate your consideration to help steward Lake Tanglewood for the future.

## **JOHN KLETCHKA**

My name is John Kletchka and I have been married to my wife Londa for 22 years. We have lived at the lake since 2015 and have loved every minute of it. We have three children and three grandchildren who live in Amarillo that love coming out to enjoy the lake as well. I am a CPA with my own firm, and have worked in the Amarillo area for 34 years. We find the Panhandle a wonderful place to live and raise our family. Finding our home here at the lake is one of the biggest blessings we could ever imagine. I look forward to working with the community in continuing to make this the best place in the Panhandle to live.
