# Modern Homes *Need* Modern Protection

Homeowners invest more than ever in sensitive electronic systems in their homes.

Every day in every home, dirty power is silently robbing homeowners of the full functionality and life expectancy of their electrical equipment.

These power disturbances cause a host of problems ranging from annoying misoperations to costly and sometimes dangerous failures.

What's at stake? HVAC Systems, Home Theatre Components, Lights, Appliances, Smart Home Technologies, Security Systems, and More...

Maxivolt® provides numerous benefits including significant increases in reliability, safety, and lifespan to all electrical equipment in the home.

**Contact Curt Besselman at 1-800-583-4773 to find out how simple it is to have a safer, more efficient, and more cost effective home.**

PBS TV has launched a six month program titled "**Great American Read**" to celebrate reading and to promote reading books. PBS has compiled a list of 100 of the most favorite fiction books by surveying and interviewing many readers and librarians across the country. There will be several programs on PBS in the coming months featuring many of these books in various genres.

You can go to [www.PBS.org/greatamericanread](http://www.PBS.org/greatamericanread) to vote for your favorite book. The top vote winner will be announced in October.

Our own LT Library has 67 of these 100 books. (A few are audio books or movies.) The adult books have been gathered and arranged on a special shelf in the first room and the small group of junior books is above the junior section in the front room.

The library has copies of the PBS list of 100 available. Come in to see if YOUR favorite book is on the list, or choose other favorites from the list to try.

# THE RUSSELL ACTIVITY CENTER

## History

A generous gift from the Lee and Natalie Russell Estate to the Lake Tanglewood Community Church has made it possible to not only repair the court area located at the church, but to transform it into an amazing venue for the entire community: The Russell Activity Center (RAC).

## Features

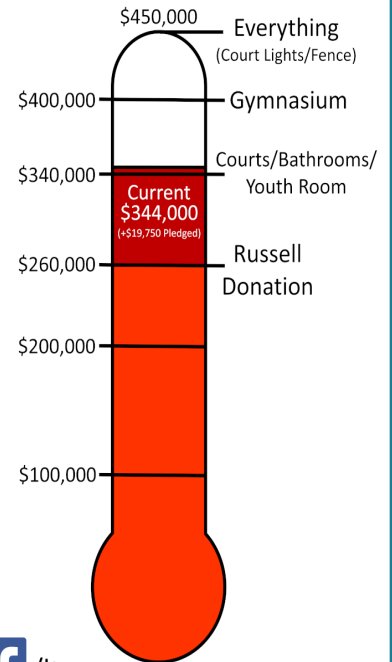

The RAC plans include impressive indoor and outdoor amenities, including resurfacing of the outdoor tennis and basketball courts, addition of a pickleball court, golf car parking, covered seating near the basketball and tennis courts, new fencing and lighting, and 24/7 accessible indoor restrooms. The crown jewel of the project will be a 45'x100' building containing a 45'x25' combination youth room/event space and a 45'x75' indoor gymnasium for basketball, walking, and other sports and events. Remember, this facility will be open to the entire community!

## How You Can Be a Part

**Cost** As of June 5, we have raised \$344,000, or 76% of the total cost of \$450,000. Additional funds are needed to enclose the gymnasium, add court lighting and a new fence, and to cover contingencies.

**Donor Wall** To raise the additional funds needed, the RAC Steering Committee is offering members of the Lake Tanglewood Community a chance to be a part of making this project a reality. On the south end of the RAC facility, there will be a prominently displayed donor wall. Take a look at the proposed design of the donor wall! *Continued . . .*

## LT LIONS CLUB

July 2018

Exciting things are happening at the Lake. Of course, this is July and it is such a fun time to celebrate our country and pray for brave people who sacrificed their lives so that people are free and the military people who are still fighting for freedom.

Don't miss any of the activities on July 4<sup>th</sup>. Fun times for kids and adults. See the calendar in this newsletter for the times and dates of the activities.

We also need to celebrate the wonderful volunteers who help make July 4<sup>th</sup> a fun family time. Thank you volunteers.

Lions Club has had some great speakers since January: Downtown Women's Center, Amarillo mayor, the Amarillo Bulls coaches, James Farren (Randall Co. DA), ACTS, Coffee Memorial Blood Bank, Para-Olympics, plus many others. Ross Black is our speaker chairman and does a great job of securing good informational speakers.

The Lions Club contributed \$15,000 to the RAC. On June 21<sup>st</sup>, Lions Club stocked \$4968 worth of fish in the lake which is approximately \$1 per fish. If you catch one of these "babies", please put it back in the water so it can grow and spawn.

We can celebrate the upcoming RAC (Russell Activity Center). Please see the article concerning the RAC. It is amazing that in two months we have had \$107,000 donated from very generous people who care about the lake area and want to make our lake a better place to live. As you can see, the activity center is already looking better. Soon the steel frame will be in place for the building. We will be ordering the designer cinder blocks. YES! It is true. We are only \$4,000 away from building an enclosed the gym. Our dream would be to complete the entire dream of an activity center for all ages (\$36,000 more needed). If you have not had an opportunity to donate, please do so ASAP.

# Village of Lake Tanglewood Tailgate Party

## **WE NEED YOUR HELP!!!!**

As you are aware, LTFD has become one of the most trusted fire departments in the Texas Panhandle and have several mutual aid agreements with local Fire Departments for our services in time of need. We are proud to be an ISO Class 3 Fire Protection Provider.

We continue to provide First Responder Medical Services, Fire Protection Services, and have the intentions of being here for you in your time of need, whether fire, weather, or medical emergency.

Due to the loss of previous ambulance income and increased operating costs from the recent surrounding fires we find ourselves struggling with the cost of day to day operations and maintenance. We need your assistance with these basic operations.

**Please consider a monetary donation by assisting us in assisting you!**

LTFD is made up of entirely of volunteer's with no paid positions and relentlessly strive to be here for you every day.

**Make your tax deductible donation today!**

Payable to: LT FIRE/ RESCUE  
201 North Shore Drive  
Amarillo, Texas 79118

Or drop off at the LT Corp. office.

**YOU CAN COUNT ON US! CAN WE COUNT ON YOU?**
