Dear Members:

Even though we have not received much rain this year, the maintenance department has been pre-treating mosquito prone areas and will continue to monitor and treat mosquitos as needed throughout the year to help control the population. As homeowners, you can also help by keeping grass mowed down, avoid over watering the lawn, and eliminating any standing water around the home. Also, companies like Panhandle Greenhouses and Pro-chem offer several safe products that can be applied around the home to help control the mosquito population.

This month we will be constructing a sea wall starting at the main boat ramp and running 430'; ending just short of our swim dock. This sea wall will not only protect the shore line and improve the aesthetics around the community center area, but will also have a five-foot sidewalk all the way around for walking, fishing, etc.

Don't forget to come join us at the Restaurant. Valerie and her staff are working hard, and the food is great. The daily specials are posted on Facebook and the Sunday brunch is from 9am to 1pm (**BEST BREAKFAST IN TOWN – Saturday and Sunday mornings**)

Community events and important dates to mark on your calendar:

- June 18th – Father's Day
- July 4th – Parade
- July 7th - Red White and Blue Golf Tournament
- July 7th - Fireworks

Please be safe and courteous while enjoying the lake!

Sincerely,
Jeff Baker
