Anglers/Lions Club	6
Village of Lake Tanglewood	7
LT Emergency Exits	8-10

Dear Members:

Summer is here! Time to enjoy this beautiful place. Please remember to:

- Obey the speed limit and watch for golf carts, walkers, and bikers.
- Read and follow the rules and regulations for using the lake
- Sticker your watercraft
- Sign in at the golf shop when playing
- Report any possible violations to the Police Department and leave a message as soon as you witness it.

The maintenance department will be treating mosquitoes as needed throughout the year to help control the population. As homeowners, you can also help by keeping grass mowed down, avoid over watering the lawn, and eliminating any standing water around the home.

Come join us at the Restaurant. The daily specials are posted on Facebook and the Sunday brunch is from 8:30 to 12. **(BEST BREAKFAST IN TOWN – Saturday and Sunday mornings)**

Community events and special days to mark on your calendar:

- June 14th – Flag Day
- June 21st– Father’s Day

Sincerely,

Brett Pate
LSIOT, Inc. General Manager

Deadline for Newsletter is
JUNE 19TH

Be sure to have it to us by NOON
on this day!

*L*ake Tanglewood *W*omens Club

- June 01- Therapy and snacks
- June 08- Visit Amarillo zoo, lunch
- June 15- Lubbock
- June 22- Memories of our fathers
- June 29- Business meeting

New 2025-2026 L.T. Phone Books
are now for sale at the L.T. Office. \$15 each
Thank you, L.T. Women's Club.

Congratulations to the White team of Scott, Britton, Doug, and Burke for winning the Memorial Day scramble. Congrat's also to Lynsee Eudey and Rick Swope for winning closest to pin on hole 3 and 15. Thanks to all these players for donating their winnings back to the golf association.

LT LIONS CLUB

Lions will meet the first and third Thursday of every month 7:00 pm at the Community Center.

May 7th and May 21st

At our first meeting in May, on Thursday, May 7th, we had the pleasure of hosting Shelley Cunningham with the Ronald McDonald House as our guest speaker. Shelley shared information about the important work the Ronald McDonald House does to support families of children receiving medical care away from home.

At our second meeting in May, on Thursday, May 21st, Heath Hodge joined us to speak about the Lions Disaster Relief Trailer. Heath provided an overview of the trailer's capabilities and how it is deployed to assist first responders and communities in the aftermath of disasters.

In June, Lions Club will meet on June 4th at 7pm at the Community Center. Our June 4th meeting will serve as a planning meeting to get everything coordinated for the Poker Run and our upcoming summer events, including finalizing card stop hosts, burger cooks, and other volunteer roles. If you want to help out with any of our upcoming events, please plan to join us on June 4th.

The Poker Run is officially on the calendar for Saturday, June 6th from 5pm until 8pm. If you are interested in participating in the event or helping out, please reach out to me or any other Lions Club member. We will be putting out information and plan to have a QR code for early registration that will be circulated prior to the event. The plan is to start by the park at the community center at 5pm and finish by 8pm with burgers being served as people arrive back at the park to turn in their hands. This is a great way to get involved and support the club.

We have a busy summer ahead! Following the Poker Run, July 4th falls on a Saturday this year, so mark your calendars for that as well. Then on Saturday, July 18th, the Lions Club and the Lake Tanglewood Fire Department will be hosting a joint membership drive at the park. We will be cooking burgers and Lindsey Eudey will be providing live entertainment. This will be a wonderful opportunity to learn more about both organizations. Given everything we have coming up, our next few meetings will likely be dedicated to planning and preparation for these events.

If anyone is interested in joining the Lions Club or assisting with any of the events, please contact me (Joey Parsons) at (806) 282-5689.

VILLAGE OF LAKE TANGLEWOOD

1000 Tanglewood Drive
Amarillo, Texas 79118

Office Phone: 806-622-8711
Cell Phone: 806-341-9786
Ltsecretary@laketanglewoodtx.gov

To all Members, Contractors, Roofers, Builders and Landscapers:

When Spring time approaches, please be mindful of these items:

1. Hours of entry into Lake Tanglewood for projects are **7:45 am-5:45 pm**
2. ALL PERMITTED WORK MUST BE: APPLIED FOR, APPROVED AND PAID FOR BEFORE CAN BEGIN, ALSO, THE VILLAGE MUST HAVE CURRENT LIABILITY INSURANCE ON FILE WITH THE VILLAGE OF LAKE TANGLEWOOD LISTED AS THE CERTIFICATE HOLDER.

Important Days and Times:

2nd Monday of the month: Monthly Village Council Meetings at the Village Hall at 6pm
1st & 3rd Tuesday of the month: Fire Department meetings at the Fire House at 7pm
Wednesdays (as needed): Building Committee at Village Hall at 5:30pm

Building Permit and Inspections

Building Permit Applications must be submitted before noon on Friday in order to be considered at the following Wednesday's meeting. Applications can be printed from the laketanglewood.org or can be picked up in the Village Office or LSIOT Office.

Roofing Permit Applications can be completed and emailed to the Village Office for quicker turn around at ltsecretary@laketanglewoodtx.gov

Inspections are completed by Robert Downing. Please call the Village Secretary to schedule all inspections 806-622-8711 or email ltsecretary@laketanglewoodtx.gov

To schedule a boat dock inspection for membership transfer, please email the Village Office to be put on the list. Payment of \$95 must be paid prior to inspection and can be dropped off in the LSIOT or Village Offices.

All re-inspections cost \$95 and must be prepaid to the Village Office

There was an error discovered at publishing of last newsletter. This is the corrected version.

As before, In the event of an emergency actually requiring an evacuation, LSIOT will send out a text to their distribution network. It will describe the emergency, its direction in relation to our village, and the best estimate of timing of the event. It will also be followed by notification from the Office of Emergency Management in Amarillo, targeting all cell phone users geolocated in the overall evacuation area. Depending on the event, this may also be followed by the Emergency Siren Notification System.

Our main exit is the most preferred path in and out of the lake. IF, for whatever reason that path is somehow compromised, either because of obstruction, or the emergency itself, there are 3 alternative exits out of the lake, marked on the map with a yellow "+" symbol.

From North Shore, opposite 501 North Shore, is the East Emergency Access road. There is a gate at the bottom of the hill, heading east from North Shore, with an additional gate intersecting John's Way in River Falls. At that intersection you would head north to the Claude Highway. River Falls also has a gate at their entrance, which is activated by presence just like our exit gate out of Lake Tanglewood. Be aware you will most likely not be able to gain entrance back in through their gate after exiting.

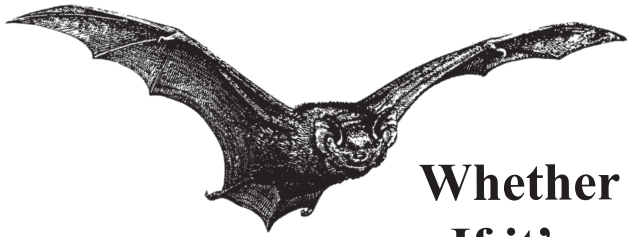

On the south end of the lake, Frog Leap Lane connects to South Shore Drive, and exits into the Canyons. You would drive up the hill, and they have a couple of signs helping to indicate the way out to exit from West County Club Rd onto FM 1541 (Washington), very close to the Timber Creek Small Animal hospital.

Alternatively on South Shore Drive turning north at the big bridge, it is also possible to exit into Palisades, eventually exiting on Osage at the Pac-A Sac on the Claude Highway.

It should also be noted that these exits are bi-directional. Our adjoining neighbors can also use these same exits if an emergency in their neighborhood requires it.

In addition to evacuation route designation, we have 2 preferred landing meeting points in the event of a medical emergency on the lake itself. There are 2 red cross symbols "+", one located at the end of the boat ramp on Jean Drive, off Melody, for the deep-water end of the lake, and the second located on the sidewalk shoreline between the boat gas pump and the swimming area. Certainly, any address can and will be responded to, but these 2 locations are designated for best access for rescue personnel and ambulance access.

Also following up from last month, the map also shows the fire hydrants in the water system, color coded by the available volume of water, that the fire department could use in the event of a structure fire in one of our homes. It was one of the factors used in our ISO Rating.

**Whether it's on the ground or flying around,
If it's a bat, don't touch that!**

It is tempting to pick up a bat because they look so unusual. Don't do it! Leave bats alone.

Bats are helpful in nature. However, they also can spread rabies.

Rabies is a deadly disease caused by a virus. You can get rabies if an animal that has rabies bites you. Bat teeth are so small you might not even know you were bitten!

You can also get rabies if the saliva from an animal with rabies gets in your eyes, nose, or mouth. This can happen if you get the saliva on your fingers and then touch your face. Another way you can get rabies is by touching an animal with rabies and getting its saliva in open cuts on your skin.

Tell an adult, such as a teacher, nurse, parent, school guard, or police officer, right away if you have touched a bat or a bat has touched you. There is medicine that can keep you from getting rabies. For the medicine to work well, it must be given soon after contact with a bat.

Remember, if you find any bat, even if it is dead, **do not touch it.** Tell an adult right away about the bat and where you found it.
