MAY 2019

IN THIS ISSUE

Dear Members:

Construction on the patios and covered pergolas for the Community Center and the Restaurant has started and is making very good progress. We hope to have the pergolas and the snack-hut open by Memorial Day, if not soon after. The snack-hut will be selling canned soft drinks, bagged ice, bottled water, snacks, and more on the weekends. The renovation of the drainage down Camino Alto is complete.

I hope everyone, that could, took advantage of our spring-cleaning day April 13th. Thank you to Don Carver and his company, UCI, for providing the document shredding truck.

The maintenance department will be treating for mosquitos as needed throughout the year to help control the population. As homeowners, you can also help by keeping grass mowed down, avoid over watering the lawn, and eliminating any standing water around the home. Also, companies like Panhandle Greenhouses and Pro-chem offer several safe products that can be applied around the home to help control the mosquito population.

Don't forget to come join us at the Restaurant. The daily specials are posted on Facebook and the Sunday brunch is from 9am to 1pm weekly. **(BEST BREAKFAST IN TOWN – Saturday and Sunday mornings)**

Community events and special days to mark on your calendar:

- **Mother's Day – May 12th**
- **Memorial Day – May 27th**
- **Burgers and Bingo – June 1st**

I hope everyone has a happy and safe Memorial Day, and a special thanks to all Veterans who have served our country.

Sincerely,
Jeff Baker

LSIOT, Inc. General Manager

Hello, Hackers and Swingers.

Our golf course is green and well maintained. Thank you maintenance group for your continual work and love of our course. Golf is without a doubt a sport or activity that can be played by any and every one, at all levels. Young, to not so young. Men, women, and even those that may be undecided on gender. You know, Pat. High handicap, low handicap, and those who don't know what a handicap is. Never the less come out and enjoy. If you don't have clubs there are a few sets in the club house that have been donated for this purpose. Grab a set of clubs and go to the driving range and hit some balls. If you think you may be the next Tiger Woods or Jordon Spieth, find the number one tee box and go for it!

I see more and more neighbors out enjoying our course walking their pets and or significant others. One caution for everyone is that this is a golf course first. You must be mindful of golf balls flying around the area! It is a fact that you hit the ball in the direction that you last look. That is why professionals always stare down the shot before they strike the ball. Consider walking very early or very late. Enjoy yourself, but please be careful.

I got some calls this week about some young people who were driving their 4X4 Ranger on the Golf course, yes on and around the fairways. I responded quickly and spoke to the young folks.

No serious damage was done, but this is not the place to be four-wheeling. I spoke to Jeff Baker about the incident and was told that any damage done will be at the cost to the person or persons involved. Please, if you have youngsters, instruct them accordingly. I would also ask everyone, if you see damage or anyone doing damage TAKE PHOTOS and call me. I will be the bad guy for you.

OK here's some fun golf news...
