I hope everyone, that could, took advantage of our spring-cleaning day April 15th. Thank you to Don Carver and his company, UCI, for providing the document shredding truck. Also thank you to Brandon Brown and Panhandle Roll Offs for providing the dumpsters.

The voting results for the onetime assessment to fund the LG Sonic lake improvement project are as follows:

217 FOR AND 63 AGAINST

Even though it has not rained much in a long time, eventually mosquitos will be here, and when they do, the maintenance department will be treating for them as needed throughout the year to help control the population. As homeowners, you can also help by keeping grass mowed down, avoid over watering the lawn, and eliminating any standing water around the home. Also, companies like Panhandle Greenhouse and Pro-chem offer several safe products that can be applied around the home to help control the mosquito population.

Don't forget to come join us at the Restaurant. The daily specials are posted on Facebook and the Sunday brunch is from 8:30 to 12. **(BEST BREAKFAST IN TOWN – Saturday and Sunday mornings)**

Community events and special days to mark on your calendar:

I hope everyone has a happy and safe Memorial Day.

Sincerely,
Jeff Baker

FICTION

The Big Kahuna by Janet and Peter Evanovich - *Thrillers/General* – Part of *Fox and O'Hare* series

Straight arrow FBI Agent Kate O'Hare and charming con man Nicholas Fox team together to tackle the out-of-bounds cases ordinary FBI agents can't touch. They have their work cut out for them in their weirdest, wildest adventure yet: a stoner, an Instagram model, a Czech oligarch, and a missing unicorn.

Blow Fly by Patricia Daniels Cornwell-*Mystery & Detective/Women Sleuths*- Part of *Kay Scarpetta* series

Leaving Virginia in search of peace and quiet, Dr. Kay Scarpetta journeys to Florida where a series of baffling murders entangles her in an international conspiracy that confronts her with the most unexpected circumstance of her life.

Eleanor Oliphant Is Completely Fine by Gail Honeyman – *Fiction/Women* – A Reese Witherspoon Book Club Pick

A socially awkward, routine-oriented loner teams up with a bumbling IT guy from her office to assist an elderly accident victim, forging a friendship that saves all three from lives of isolation and secret unhappiness.

The Brothers of Auschwitz by Malka Adler/Noel Canin – *Fiction/Jewish* - Holocaust – Biographical Novel

A story of hope and heartbreak follows a family separated by the Holocaust and their harrowing journey back to each other. "My brother's tears left a delicate, clean line on his face. I stroked his cheek, whispered, it's really you....."

The Judge's List by John Grisham – *Thrillers/Suspense/Legal* – #1 *New York Times* bestseller

Investigator Lacy Stoltz follows the trail of a serial killer, and closes in on a shocking suspect – a sitting judge – in "one of the best crime reads of the year...bristling with high-tech detail and shivering with suspense...worth staying up all night to finish" (*Wall Street Journal*)

The Chef by James Patterson – *Mystery and Detective* – New Orleans

Police detective by day, celebrity food truck chef by night, now Caleb Rooney has a new title: Most Wanted. In the Carnival days leading up to Mardi Gras, Detective Caleb Rooney comes under investigation for a murder he is accused of committing in the line of duty – as a Major Crimes detective for the New Orleans Police Department. Has his sideline at the Killer Chef food truck given him a taste for murder?

The Lost Causes of Bleak Creek by Rhett McLaughlin/Link Neal/Lance Rubin – *Fiction/Humorous*

The creators of *Good Mythical Morning* and authors of the best-selling *Rhett and Link's Book of Mythicality* present the story of two teens from a conservative 1990s North Carolina community who uncover harrowing truths about a local reform school. What they find will leave them battling an evil beyond their wildest imaginations.

Before the Devil Fell by Neil Olson – *Mystery/Suspense*

"Equal parts engaging and creepy, this twisty tale deftly examines how secrets and regret can continue to reverberate through generations. A suspenseful story examines how families haunt each other in life and death; possibly too creepy for late-night reading." *Kirkus Reviews*

Good Girl, Bad Girl by Michael Robotham – *Thrillers/Suspense*

A fiendishly clever suspense novel about a dangerous young woman with a special ability to know when someone is lying and the criminal psychologist who must outwit her to survive. A gripping and eerie read.
