Dear Members:

A spring-cleaning day has been scheduled for May 18th. There will be a document shredding truck at the community center parking lot from 9:00 a.m. to 12:00 p.m. provided by Don Carver's company, UCI, for the residents to utilize; and there will also be two dumpsters provided by LSIOT for member use. This will provide members an opportunity to throw away some junk and shred old documents.

Eventually mosquitos will be here, and when they do, the maintenance department will be treating for them as needed throughout the year to help control the population. As homeowners, you can also help by keeping grass mowed down, avoid over watering the lawn, and eliminating any standing water around the home. Also, companies like Panhandle Greenhouse and Pro-chem offer several safe products that can be applied around the home to help control the mosquito population.

Don't forget to come join us at the Restaurant. The daily specials are posted on Facebook and the Sunday brunch is from 8:30 to 12. **(BEST BREAKFAST IN TOWN – Saturday and Sunday mornings)**

Community events and special days to mark on your calendar:

- **Mother's Day – May 12th**
- **Spring Cleaning Day – May 18th**
- **Memorial Day – May 27th**

I hope everyone has a happy and safe Memorial Day.

Sincerely,
Jeff Baker
LSIOT, Inc. General Manager

FICTION

Lost Man's River by Peter Matthiessen - *Literary Fiction* – Second book in Shadow Country Trilogy

Lucius Watson is obsessed with learning the truth about his father. Who was E. J. Watson? Was he a devoted family man, an inspired farmer, a man of progress and vision? Or was he a cold-blooded murderer and amoral opportunist? Were his neighbors driven to kill him out of fear? Or was it envy? And if Watson was a killer, should the neighbors fear the obsessed Lucius when he returns to live among them and ask questions?

Bone by Bone by Peter Matthiessen - *Literary Fiction* - Third book in Shadow Country Trilogy

This astonishing new novel, calling to account the violence, virulent racism, and destruction of the land that fueled the so-called American Dream, points an accusing finger straight into the burning eyes of Uncle Sam. Here is the bloodied child of the Civil War and Reconstruction who dreams of recovering the family plantation. He becomes the gifted cane planter nearing success on a wilderness river when he gives in fatally to his accumulating demons. Powerfully imagined, prodigiously detailed, *Bone by Bone* is a literary tour de force as bold and ambitious as Watson.

The Life We Bury by Allen Eskens – *Mystery and Detective*

After Joe Talbert interviews a dying Vietnam veteran for a college writing assignment, he discovers that the veteran is a convicted murderer recently released from prison and, suspecting that the veteran was framed, he begins a dangerous investigation into the thirty-year old murder.

NONFICTION

Furious Hours by Casey Cep - *True Crime/Murder/Serial Killers*

This is a remarkable story from the horrifying murders to the courtroom drama to the racial politics of the Deep South, while offering a deeply moving portrait of one of our most revered writers. The true story of Harper Lee's never finished final work – and the shocking story of the serial killer who inspired it, while offering a deeply moving portrait of one of the country's most beloved writers and her struggle with fame, success and the mystery of artistic creativity.
