about the time it takes to sing  
Happy Birthday twice.

have been free of fever for 24 hours.

Visit [cdc.gov](https://www.cdc.gov) for additional information.

For a better us.

Thank

I am Steve Camarata and I am running for the Board of Directors for LSIOT.

I have been a homeowner at the lake since March 2015. I am 64 years old and have been in the land surveying business for 18 years. Presently have experience in all areas of construction and maintenance. Experience and training in animal science, wildlife management. I am an avid fisherman and hunter. Presently, I hold a position on the LSIOT board as a replacement for a past member. I am president of the Lake Tanglewood Anglers Club and also hold the vice president position on the Lake Tanglewood Lions Club board.

I am married to Pam and she is a retired elementary school principal.

My goals are to assist and provide through our form of government a safe and secure environment for residents. Expressing concern and listening to all ideas which in turn will lead to a more progressive and conservative community.

Thank you for your consideration,

Steve Camarata

**CLUB**

The month of October has been busy for the Lake Fisheries committee, Lions Club and the Anglers Club. We have stocked 10,000 3 and 4 inch bass in the lake on Friday the 9th. 200 of those fish were tagged with a special paint so we can track their growth. We placed approx. 75 to 100 fish at each of our designated 75 locations on the perimeter around the lake. Last Friday we stocked approx. 2000 6 to 8 inch bass in various locations around the lake and 200 more were tagged. Due to a mechanical breakdown on the tank truck, we did not receive all of our numbers, and this Friday we will drop off another 6000 6 to 8 inch bass to replace what was lost in the last Friday's mechanical failure. This is a great start to getting our bass fishing going really good again. Please follow our posts on the LT Facebook page and contact me if you wish to become a member of the Anglers Club to keep up with current events. Many thanks to LSIOT, the office and Jeff Baker for their assistance in this endeavor.
