IMPORTANT NOTICE TO ALL RESIDENTS

ROOF REPLACEMENTS REQUIRE A PERMIT

The Village of Lake Tanglewood would like to remind all residents and contractors that a building permit is required **BEFORE** any roof replacement work begins.

Obtaining a permit is **not optional**. Beginning a roof replacement without an approved permit is a violation of Village ordinances and may result in a **Stop Work Order and/or fines**.

ROOF PERMITS ARE A SIMPLE PROCESS

Roof permits do not require approval by a quorum of the Building Committee and can be approved quickly.

The **roof permit fee is \$295**, which includes the required inspection.

BEFORE YOUR ROOFER STARTS:

Apply for and receive approval of your roof permit.

Please do not allow a roofing contractor to begin removing shingles, materials, or performing replacement work until the permit has been approved.

ROOFING COMPANY ADVERTISING SIGNS

Please be advised that **roofing company yard signs are not permitted on residential lawns for advertising purposes** within the Village of Lake Tanglewood. We ask residents and roofing contractors to please refrain from placing these signs on Village properties.

We appreciate everyone's cooperation in following Village ordinances and helping maintain the standards of our community.
