FICTION

Run, Rose, Run by Dolly Parton/James Patterson – *Thriller/Crime*

A novel glittering with danger and desire – a story that only America's most beloved entertainer and its #1 bestselling author could have created. On the rise and on the run, a young singer-songwriter arrives in Nashville to claim her destiny, but it's also where the darkness she's fled might find her – and destroy her.

Count Down by James Patterson/Brendan DuBois - *Thriller*

3 days to save the world, 4 days to save her family, 3 hours to find the world's most dangerous double-agent. James Patterson's biggest ticking time bomb of a thriller is the ultimate test for a young CIA agent who's been handed an impossible mission. She has to go dark. The Division wants to erase her. And they know every detail about her identity, her history, and her family. Agent Cornwall's countdown has begun.

Total Power by Vince Flynn/Kyle Mills – *Thrillers/Political* – part of Mitch Rapp series

When Mitch Rapp captures ISIS's top technology expert, he reveals that he is on his way to meet a man who claims to have the ability to bring down America's power grid. Rapp is determined to eliminate the shadowy cyber terrorist, but the CIA's trap fails.

Tom Clancy Point of Contact by Mike Maden – *Thrillers/Suspense* – part of the Jack Ryan, Jr. series

A former U.S. senator and defense contractor needs someone to review the books of Singapore company Dalfan Technologies – quickly. He turns to Jack Ryan, Jr. and Paul Brown, two employees of one of the best financial analysis firms in the country, which also happens to be the cover for The Campus, a top secret American intelligence agency. Brown has no idea that Jack works for The Campus. Jack has no idea that the awkward accountant has been tasked with uploading a cyber warfare program into the highly secure Dalfan Technology mainframe on behalf of the CIA.

Book Donations – We will accept fiction, non-fiction, and children's primary and junior books. We do not accept DVD's, audio books, cookbooks, DIY/How-To books, encyclopedias, textbooks, or Reader's Digest.
