"serving our community"

Lions Club supported the CMN Triathlon on Sept. 8 by providing 20+ golf carts and drivers to shuttle spectators & athletes to the community center. The Triathlon was a huge success. The golf cart drivers averaged 30 miles on their golf carts during the shuttling.

Many of you asked why the flags are up for 2 weeks in September. First, we honor Labor Day, then we welcomed the athletes who are competing in the Triathlon on Sept. 8, and then on 9/11 we honor the people who were killed during those terrorist acts. Our Lions Club members who put out the flags do a good job and we thank them for their service to our community.

Lions Club will sponsor our Community Halloween party this year. Community residents are encouraged to participate in this fun children's activity—bring your Halloween candy so the kids can go from table to table to "trick or treat". "Trick or Treating" is much safer in the community center than for kids to walk our roads and residential terrain. Hope to see you on October 31st, Wednesday from 6-7:30 pm. It is so much fun to see the kids who have dressed up for Halloween and see residents who dress up for Halloween.

Please for safety sake: As we have asked LT residents for the last 11 years, refrain from driving around the lake the morning of SATURDAY, SEPT. 8th. The Triathletes will be bicycling and running on Tanglewood Drive, North Shore and South Shore.

Tanglewood Drive & North Shore will be CLOSED due to the bicycle race. Plan not to drive between 9:30-NOON. Please no complaining because we warn you every year to plan around the Triathlon events. This fundraiser is to help the Children's Miracle Network.

Construction crews & workers will be prevented from driving down Tanglewood Drive or North Shore 9:30 am -NOON.

Hello all.

The sun has slowly set on the 2018 Lake Tanglewood golf season.

We hosted our finale tournament, the club championships on August the 18th .
Don't put up your club just yet!

The weather is great this time of year, mild temperatures, some slow rains and the course looks great. Thanks to our handy dandy Maintenance crew that work lots of hours for us to enjoy our golf habit. So come on out and enjoy.

Hey lets have a golf association meeting. September the 30th at 5;30. We will enjoy a meal at the restaurant and discuss future plans and improvements for next year. If you have played lately maybe you have seen the new cart path between 17 and 18. Makes a safer and more convenient path for those playing # 18n to get back to the club house.

Now on A sad note, all the work we have done on the driving range has been slowed . Seems like someone or some people have decided that we don't need golf balls to practice. When I was out last week all the Balls were gone,. Lots of members contributed used balls to our driving range. Even two of my friends one from Lubbock and one from Amarillo have brought me several hundred balls. TOO SAD that we now will start gathering up found and discarded balls to build our inventory back.
Everyone pitch in Not take away!

See you on the fairway. (or in the Rough).

Industry Experts

We are up to date on marine construction and regulations with an unparalleled knowledge and skill in dock design and installation.

Why Aluminum?

Marine grade aluminum has a tensile strength similar to steel but is more versatile, corrosion resistant, and low maintenance.

Customizable

These aluminum docks are fully customizable, having nearly ten decking choices, over two dozen roof color options, and unlimited design layouts.

We are a Wahoo Docks Dealer!

Wahoo Docks is the leading floating aluminum dock manufacturer in North America, known for creating top quality aluminum docks and gangways. They have been building commercial and residential dock systems for over three decades, spending the last fifteen years focused on a heavy framed aluminum dock design with an emphasis on strength, durability, aesthetic appeal, and low maintenance.

Engaging God's Word in

DEUTERONOMY

As we navigate life in the 21st Century with all of its uncertainties and stress, how can we know without a doubt that God is on our side? By studying Deuteronomy, we will gain insight into His faithfulness and encouragement for our journey in this fallen world. Our God promises to find us in the wilderness, to rescue and preserve us, and to guide us with His Word
