Dear Members:

Welcome to September. I hope everyone had an enjoyable summer season!

This month we will begin renovating the entrance to the community center. The project will include taking out the flagstone, gardens, and sidewalks and replacing it with concrete that will be cleaner and safer. Once work begins, the new entrance for the library will be located on the south side of the building, which is the same side as the main boat ramp. Thank you for your patience during this project.

The Maintenance Department's hours of operation are 7:30-3:30 Monday through Friday (622-3714). For weekend and after-hour emergencies please call the gate at 622-1701, and the gate guard will contact the maintenance employee on call.

His search will unearth secrets in the highest levels of government and pull him back into the shadowy world he worked so hard to forget.

Mrs. Lincoln's Sisters by Jennifer Chiaverini - *Family Life/Siblings* – Civil War era

In May 1875, Elizabeth Todd Edwards reels from news that her younger sister Mary, former First Lady and widow of President Abraham Lincoln, has attempted suicide. The Todd sisters' fates were bound to their husbands' choices as some joined the Lincoln administration, others the Confederate Army.

The 2022 Bass Series concluded last month with a close race between the top anglers. Go to the LTAC Fb page to see the final results. We are looking at stocking Florida strain bass in late September/early October to compliment our maintenance plan for the lake as a fishery. No date has been set. We are working on the kid's fishing dock project, but got bogged down this summer due to the weather and shortage of materials for our vendors. We will start progress in the early fall. I will call a general meeting in October for everyone to come and view our presentation on a new water clarification system being used all over the world. We have seen it in action around the Panhandle, and hopefully can solve our algae problem.

Keep fishing.
Steve
