Closed Wednesdays

Children's Storytime: Thursday mornings at 10:30 am

“Libraries allow children to ask questions about the world and find answers. And the wonderful thing is that once a child learns to use a library, the doors to learning are always open.” Laura Bush

Libraries are gateways to imagination, learning, and a love of reading that can last a lifetime.

“The reading of all good books is like a conversation with the finest (people) of the past centuries.” Descartes

“Love and friendship and humour and ships at sea by night – there’s all heaven and earth in a book, a real book I mean.” Christopher Morley

Hello LTGA members, I hope this finds you well.

Just a few things to mention this month. Some of you may have noticed you are getting a bill from LSIOT concerning guest that are playing golf with you or under your membership name. I have talked to the office and they assured me that this was a 2016 change and is just now being implemented because of a lack of communication between the board and the front office (which there has been many changes in the board members in the last 9 years) the rules have not really changed. They are just being implemented.

Be ready next year for some changes for sure with the Lake Tanglewood golf Association. We are talking about raising the entry fees on the scrambles and maybe a small increase in the LTGA membership. Nothing to worry about it. It will not break the bank.

Here's the results for the last Saturday "Night Golf".

The winners were....

Allen Davidson

Jack Ware

Aaron Ware

Larry Cunyus

The second flight winners were.

Joe Crockett

David Sanchez

Ryan Oldfield

Brian Lindstrom

Congratulations to all.

It's been a great summer with needed rain. Our maintenance crew has been extremely busy trying to keep up mowing and improving our golf course. Enjoy the rest of your year.

Respectfully:

Roger Turner LTGA.
